**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD APRIL 27, 2023**

TO THE STOCKHOLDERS OF CARETRUST REIT, INC.:

The annual meeting of the stockholders (the “Annual Meeting”) of CareTrust REIT, Inc. (the “Company,” “we,” “our,” or “us”) will be held at the Company’s offices located at 905 Calle Amanecer, Suite 300, San Clemente, California 92673, at 9:00 a.m. PDT, on Thursday, April 27, 2023, for the following purposes:

- (1) To elect Ms. Diana M. Laing, Ms. Anne Olson, Mr. Spencer G. Plumb, Mr. David M. Sedgwick and Ms. Careina D. Williams to the Board of Directors to serve until the Company’s 2024 annual meeting of stockholders and until their respective successors are duly elected and qualified.
- (2) To approve, on an advisory basis, the compensation of the Company’s named executive officers.
- (3) To approve, on an advisory basis, the frequency of future advisory votes on named executive officer compensation.
- (4) To ratify the appointment of Deloitte & Touche LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2023.
- (5) To transact such other business as may properly come before the Annual Meeting or any postponement or adjournment thereof.

The accompanying Proxy Statement more fully describes these matters and we urge you to read the information contained in the Proxy Statement carefully. The Board of Directors recommends a vote **FOR** the election to the Board of Directors of each of the Board of Director’s five director nominees, **FOR** the compensation of our named executive officers, **ONE YEAR** with respect to the frequency of future advisory votes on named executive officer compensation, and **FOR** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2023.

ONLY STOCKHOLDERS OF RECORD OF THE COMPANY’S ISSUED AND OUTSTANDING COMMON STOCK AS OF THE CLOSE OF BUSINESS ON MARCH 2, 2023, THE RECORD DATE, WILL BE ENTITLED TO NOTICE OF AND TO VOTE AT THE ANNUAL MEETING AND ANY ADJOURNMENT OR POSTPONEMENT THEREOF.

We are requesting that you register in advance if you plan to attend the Annual Meeting in person so we may ensure we have adequate space for all attendees. Please email us at ir@caretrustreit.com with the number of planned in-person attendees no later than 5:00 p.m. PDT on April 24, 2023 if you plan to attend the Annual Meeting in person.

Your vote is important. Whether or not you expect to attend the Annual Meeting, please submit your proxy as soon as possible.

**Proxy Statement
For the Annual Meeting of Stockholders
to be Held on April 27, 2023**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board of Directors” or the “Board”) of CareTrust REIT, Inc., a Maryland corporation, for use at the annual meeting of stockholders to be held at the Company’s offices located at 905 Calle Amanecer, Suite 300, San Clemente, California 92673, at 9:00 a.m. PDT, on Thursday, April 27, 2023 (the “Annual Meeting”). On or about March 14, 2023, proxy materials for the Annual Meeting, including this Proxy Statement and the Company’s Annual Report on Form 10-K for the year ended December 31, 2022 (“Annual Report”), are being made available to stockholders entitled to vote at the Annual Meeting.

When used in this Proxy Statement, the terms “we,” “us,” “our,” “CareTrust REIT,” or the “Company” refer to CareTrust REIT, Inc. and its subsidiaries unless the context requires otherwise.

IMPORTANT NOTICE REGARDING INTERNET AVAILABILITY OF PROXY MATERIALS

This Proxy Statement and our Annual Report are available on the Internet at www.proxyvote.com. These materials are also available in the “Investor” section of our website at www.caretrustreit.com. References to our website in this Proxy Statement are provided for convenience only and the content on our website does not constitute part of this Proxy Statement.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

Notice of Internet Availability

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission (the “SEC”), we have elected to furnish our proxy materials, including our Proxy Statement and our Annual Report, to stockholders on the Internet. Accordingly, we are mailing a Notice of Internet Availability of Proxy Materials (the “Notice of Internet Availability”) to our stockholders that did not request to receive paper copies of our proxy materials and Annual Report or are otherwise receiving our proxy materials electronically by email. The Notice of Internet Availability contains instructions on how stockholders can access those documents over the Internet and vote their shares. All stockholders who do not receive a Notice of Internet Availability, or who have not consented to receive their proxy materials electronically by email, will receive a printed copy of the proxy materials by mail.

Attending the Annual Meeting

We are requesting that you register in advance if you plan to attend the Annual Meeting in person so we may ensure we have adequate space for all attendees. Please email us at ir@caretrustreit.com with the number of planned in-person attendees no later than 5:00 p.m. PDT on April 24, 2023 if you plan to attend the Annual Meeting in person.

Items of Business to be Voted on at the Annual Meeting

At the Annual Meeting, the stockholders of the Company will be asked to vote on the following four proposals:

- The election of Ms. Diana M. Laing, Ms. Anne Olson, Mr. Spencer G. Plumb, Mr. David M. Sedgwick and Ms. Careina D. Williams to the Board of Directors to serve until the Company's 2024 annual meeting of stockholders and until their respective successors are duly elected and qualified (Proposal 1);
- Approval, on an advisory basis, of the compensation of the Company's named executive officers (Proposal 2);
- Approval, on an advisory basis, of the frequency of future advisory votes on named executive officer compensation (Proposal 3); and
- Ratification of the appointment of Deloitte & Touche LLP ("Deloitte") as the Company's independent registered public accounting firm for the year ending December 31, 2023 (Proposal 4).

We will also consider other business that properly comes before the Annual Meeting.

The Board of Directors recommends you vote **FOR** the election to the Board of Directors of each of the Board of Director's five director nominees, **FOR** the compensation of the Company's named executive officers, **ONE YEAR** with respect to the frequency of future advisory votes on named executive officer compensation, and **FOR** the ratification of the appointment of Deloitte as the Company's independent registered public accounting firm for the year ending December 31, 2023.

Available Voting Methods

Your vote is very important. Whether or not you plan to attend the Annual Meeting in person, you should vote your shares by using one of the methods described below to ensure your shares will be counted.

Stockholders of record. If your shares are registered directly in your name with our transfer agent, Broadridge Corporate Issuer Solutions, Inc., you are considered the "stockholder of record" with respect to those shares and the proxy materials were made available directly to you by the Company. As a stockholder of record, you may vote your shares in person at the Annual Meeting, or by submitting a proxy over the Internet by following the instructions provided in the Notice of Internet Availability. If you received a printed copy of the proxy materials, you can also submit a proxy by mail or telephone pursuant to the instructions provided in the proxy card enclosed with the proxy materials.

Beneficial stockholders. Most of our stockholders hold their shares through a broker, bank or other nominee (that is, in "street name") rather than directly in their own name. If your shares are held in street name, you are considered the "beneficial stockholder" of such shares and the proxy materials were made available to you by the organization holding your shares. As a beneficial stockholder, you may submit your voting instructions over the Internet by following the instructions provided in the Notice of Internet Availability, or, if you received a printed copy of the proxy materials, you can also submit voting instructions by telephone or mail by following the instructions provided in the voting instruction form sent by your broker, bank or other nominee. If you are a beneficial stockholder, you may not vote your shares in person at the Annual Meeting unless you obtain a "legal proxy" from the broker, bank or other nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting.

If you receive more than one Notice of Internet Availability or set of proxy materials, it means your shares are registered differently (for instance, under different names) or are held in more than one account. Please follow the voting instructions on each Notice of Internet Availability, proxy card or voting instruction form you receive.

Record Date and Quorum Requirements

Our Board of Directors has fixed March 2, 2023 as the record date (the “Record Date”) for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. As of the Record Date, 99,511,924 shares of our common stock, par value \$0.01 per share (“Common Stock”), were issued and outstanding. Each outstanding share of Common Stock will be entitled to one vote, and all shares of Common Stock will vote as a single class with respect to all matters submitted to a vote of the stockholders at the Annual Meeting.

To constitute a quorum for the conduct of business at the Annual Meeting, a majority of the votes entitled to be cast at the Annual Meeting must be present in person or represented by proxy at the Annual Meeting. Abstentions and “broker non-votes” will be counted as present and entitled to vote for purposes of determining the existence of a quorum.

Deadline for Voting Your Shares

If you are a stockholder of record, your proxy must be received by telephone or the Internet by 11:59 p.m. Eastern Time on April 26, 2023 in order for your shares to be voted at the Annual Meeting. However, if you are a stockholder of record and you received a copy of the proxy materials by mail, you may instead mark, sign and date the proxy card you received and return it in the accompanying prepaid and addressed envelope so that it is received by the Company before the polls close for voting at the Annual Meeting in order for your shares to be voted at the Annual Meeting. If you hold your shares in street name, please provide your voting instructions by the deadline specified by the broker, bank or other nominee that holds your shares.

Changing Your Vote or Revoking a Previously Submitted Proxy

If you are a stockholder of record, you have the power to change or revoke a previously submitted proxy at any time before it is exercised by: delivering to the Secretary of the Company, before the polls close at the Annual Meeting, an instrument revoking such proxy; properly submitting a proxy on a later date via Internet or by telephone or mail by 11:59 p.m. Eastern Time on April 26, 2023; or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not by itself constitute revocation of a proxy. For shares held in street name, you may revoke any previous voting instructions by submitting new voting instructions to the broker, bank or other nominee holding your shares by the deadline for voting specified in the voting instructions provided by your broker, bank or other nominee. Alternatively, if your shares are held in street name and you have obtained a legal proxy from the broker, bank or other nominee giving you the right to vote the shares at the Annual Meeting, you may revoke any previous voting instructions by attending the Annual Meeting and voting in person.

Required Vote

Election of Directors (Proposal 1): Each director nominee will be elected at the Annual Meeting if he or she receives a majority of the votes cast with respect to his or her election (that is, the number of votes cast FOR the nominee must exceed the number of votes cast AGAINST the nominee). The majority voting standard does not apply, however, in a contested election where the number of director nominees exceeds the number of directors to be elected at an annual meeting of stockholders. In such circumstances, directors will instead be elected by a plurality of all the votes cast in the election of directors at the annual meeting at which a quorum is present. The election of directors at the Annual Meeting is not contested.

Under Maryland law, if an incumbent director is not re-elected at a meeting of stockholders at which he or she stands for re-election, then the incumbent director continues to serve in office as a holdover director until his or her successor is elected. To address this “holdover” issue, our Amended and Restated Bylaws (“Bylaws”) provide that if an incumbent director is not re-elected due to his or her failure to receive a majority of the votes cast in an uncontested election, the director will promptly tender his or her resignation as a director, subject to acceptance by the Board. The nominating and corporate governance committee will then make a recommendation to our Board as to whether to accept or reject the tendered resignation, or whether other action should be taken. Our Board will act on the nominating and corporate governance committee’s recommendation and publicly disclose its decision, along with its rationale, within 90 days after the date of the certification of the election results.

Other Items (Proposals 2, 3 and 4): Once a quorum has been established, pursuant to our Bylaws, approval of each of the other items to be submitted for a vote of the stockholders at the Annual Meeting requires the affirmative vote of a majority of all of the votes cast on the proposal at the Annual Meeting. Notwithstanding this vote standard required by our Bylaws, Proposal 2 (advisory approval of named executive officer compensation), Proposal 3 (advisory approval of the frequency of future advisory votes on named executive officer compensation) and Proposal 4 (ratification of the appointment of Deloitte as our independent registered public accounting firm) are only advisory votes and are not binding on us. Our Board of Directors will consider the outcome of the vote on both of these proposals in considering what action, if any, should be taken in response to the advisory vote by stockholders. Further, with respect to Proposal 3 (advisory approval of the frequency of future advisory votes on named executive officer compensation), if no frequency option receives the affirmative vote of a majority of all of the votes cast, our Board will consider the option receiving the highest number of votes as the preferred option of our stockholders.

How Votes Are Counted at the Annual Meeting

For Proposal 1 (election of directors), Proposal 2 (advisory approval of named executive officer compensation) and Proposal 4 (ratification of the appointment of Deloitte as our independent registered public accounting firm), you may vote FOR, AGAINST or ABSTAIN. For Proposal 3 (advisory approval of the frequency of future advisory votes on named executive officer compensation), you may vote ONE YEAR, TWO YEARS, THREE YEARS, or ABSTAIN.

For each proposal, shares voted ABSTAIN will not be counted as a vote cast on such proposal and therefore will not be counted in determining the outcome of the proposal.

If you hold your shares in street name through a brokerage account and you do not submit voting instructions to your broker, your broker may generally vote your shares in its discretion on routine matters. However, a broker cannot vote shares held in street name on non-routine matters unless the broker receives voting instructions from the stockholder. Proposal 4 (ratification of the appointment of Deloitte as our independent registered public accounting firm) is considered a routine matter, while each of Proposal 1 (election of directors), Proposal 2 (advisory approval of named executive officer compensation) and Proposal 3 (advisory approval of the frequency of future advisory votes on named executive officer compensation) is considered a non-routine matter. Accordingly, if you hold your shares in street name and you do not submit voting instructions to your broker, your broker may exercise its discretion to vote your shares on Proposal 4, but will not be permitted to vote your shares on any of the other items at the Annual Meeting. If your broker exercises this discretion, your shares will be voted on Proposal 4 in the manner directed by your broker, but your shares will constitute “broker non-votes” for each of Proposals 1, 2 and 3. A broker non-vote will not be counted in determining the outcome of Proposals 1, 2 and 3 because it will not be considered a vote cast on those proposals.

If you properly submit a proxy or voting instructions but do not indicate your specific voting instructions on one or more of the items listed above in the Notice of Annual Meeting, your shares will be voted as recommended by the Board of Directors on those items.

Solicitation of Proxies

The expenses of preparing, assembling, printing and mailing the Notice of Internet Availability, this Proxy Statement and the materials used in the solicitation of proxies will be borne by the Company. Proxies will be solicited through the Internet and the mail and may be solicited by our officers, directors and employees in person or by telephone or email. Our officers, directors and employees will not receive additional compensation for any such solicitation efforts. We do not anticipate paying any compensation to any other party for the solicitation of proxies but may reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to beneficial owners. We may retain the services of a proxy solicitation firm if, in the Board’s view, it is deemed necessary or advisable. Although we do not currently expect to retain such a firm, we estimate that the fees of any such firm retained by us could be up to \$50,000 plus out-of-pocket expenses, all of which would be paid by us.

PROPOSAL 1: ELECTION OF DIRECTORS**General**

Our Board of Directors is currently comprised of five directors, with each director serving a term that continues until the Annual Meeting and until his or her successor is duly elected and qualified or until his or her earlier resignation or removal. As further described below, our Board of Directors has selected five director nominees for election at the Annual Meeting.

Our Board of Directors selected Ms. Diana M. Laing, Ms. Anne Olson, Mr. Spencer G. Plumb, Mr. David M. Sedgwick and Ms. Careina D. Williams as its nominees for election to our Board at the Annual Meeting. All of our director nominees were previously elected to serve on our Board of Directors by our stockholders, except for David M. Sedgwick, who was appointed to the board of directors after Gregory K. Stapley's resignation on June 28, 2022. If all of the director nominees are elected to the Board at the Annual Meeting, our Board of Directors will continue to consist of five directors immediately following the Annual Meeting.

Each of the nominees standing for election has consented to being named in this Proxy Statement and to serve as a director if elected. We have no reason to believe that any nominee will be unable or unwilling for good cause to serve if elected. In the event any nominee is unable for any reason or unwilling for good cause to serve at the time of the Annual Meeting, the persons who are designated as proxy holders may exercise discretionary authority to vote for a substitute nominee selected by our Board of Directors or our Board of Directors may reduce the number of directors on the Board.

Director Nominees

Set forth below is biographical information about each of our director nominees. Such information is current as of the date of this Proxy Statement. The information presented below for each director nominee includes the specific experience, qualifications, attributes and skills that led us to the conclusion that such individual should be nominated to serve on our Board of Directors in light of our business. Three members of our Board of Directors, including our Chair of the Board, are female (Mses. Laing, Olson and Williams). In addition, one of our directors, Ms. Williams self-identifies as African American.

Name	Age	Director Since
Diana M. Laing, Chair of the Board	68	2019
Anne Olson	46	2022
Spencer G. Plumb	48	2017
David M. Sedgwick	47	2022
Careina D. Williams	47	2022

Diana M. Laing has served as a member of our Board of Directors since 2019, as our lead independent director from January 2022 to June 2022 and as Chair of the Board since June 2022. Ms. Laing was the Interim Executive Vice President (from October 2018 until May 2019) and Interim Chief Financial Officer (from November 2018 until May 2019) of Alexander & Baldwin, Inc. (NYSE:ALEX), a Hawaii-based publicly-traded commercial real estate investment trust ("REIT"), which completed its conversion to REIT status as of the 2017 tax year. From 2014 until June 2018, Ms. Laing was the Chief Financial Officer of American Homes 4 Rent (NYSE:AMH), a publicly traded REIT focused on the acquisition, renovation, leasing and operation of single-family homes as rental properties. From May 2004 until its merger with Parkway Properties of Orlando, Florida in December 2013, Ms. Laing was the Chief Financial Officer and Secretary of Thomas Properties Group, Inc., a publicly traded real estate operating company and institutional investment manager focused on the development, acquisition, operation and ownership of commercial properties throughout the United States. Ms. Laing served as Chief Financial Officer of each of Triple Net Properties, LLC from January through April 2004, New Pacific Realty Corporation from December 2001 to December 2003, and Firstsource Corp. from July 2000 to May 2001. From August 1996 to July 2000, Ms. Laing was Executive Vice President, Chief Financial Officer and Treasurer of Arden Realty, Inc., a

publicly traded REIT which was the largest owner and operator of commercial office properties in Southern California. From 1982 to August 1996, she served in various capacities, including Executive Vice President, Chief Financial Officer and Treasurer of Southwest Property Trust, Inc., a publicly traded multi-family REIT which owned multi-family properties throughout the southwestern United States. Ms. Laing began her career as an auditor with Arthur Andersen & Co. She currently serves as an independent director on the board of directors of Alexander & Baldwin, Inc. (NYSE:ALEX), Host Hotels & Resorts (Nasdaq:HST), and Spirit Realty Capital, Inc. (NYSE:SRC). Ms. Laing also previously serviced as an independent director on the board of directors of The Macerich Company (NYSE:MAC). She is a member of the board of directors of the RREEF Core Plus Industrial Fund and a member of the board of trustees of the Oklahoma State University Foundation. Ms. Laing's executive leadership experience in multiple REITs and other real estate companies, network of relationships with other real estate professionals, and extensive experience with public companies in accounting, financial reporting, capital markets and finance, qualify her to serve on our Board of Directors.

Anne Olson has served as a member of our Board of Directors since 2022. Ms. Olson currently serves as Chief Operating Officer and Secretary of Centerspace (NYSE:CSR), a multifamily-focused real estate investment trust, since 2018, and served as Centerspace's Executive Vice President, General Counsel and Secretary from 2017 to 2018. From 2011 to 2017, Ms. Olson was in the private practice of law, most recently as a partner with the law firm of Dorsey & Whitney LLP in its Real Estate Practice Group, where her practice focused on real estate development and investments for REITs, private equity funds, and national developers and owners. From 2006 to 2011 she served as Director of Investment Operations and in-house counsel for Welsh Companies, LLC and its affiliates, the predecessor to Welsh Property Trust and WPT Industrial REIT. Ms. Olson is an active member of the Urban Land Institute and the National Multifamily Housing Council, where she is Vice Chair of its Innovation Committee. She holds a B.A. in English from Drake University, and a J.D. from Drake University Law School. Ms. Olson's executive leadership experience in a growing public REIT, expertise in complex real estate transactions, proficiency in corporate governance matters, legal experience working in and advising public and other companies, and general real estate knowledge and experience qualify her to serve on our Board of Directors.

Spencer G. Plumb has served as a member of our Board of Directors since 2017. Mr. Plumb serves as President and Chief Executive Officer of Sabin Holdings, LLC, a global real estate platform launched in 2016. Prior to Sabin Holdings, LLC, Mr. Plumb co-founded Excel Trust, Inc. (formerly NYSE:EXL) in 2009 and served as its President and Chief Operating Officer and as a member of its Board of Directors. Excel Trust, Inc. was acquired and taken private by Blackstone Property Partners in July 2015. In addition, Mr. Plumb has held various positions over his career with other public and private companies, including Excel Realty Holdings, Price Legacy Corporation, Excel Legacy Corporation, New Plan Excel Realty Trust, Excel Realty Trust, and Excel Interfinancial Corporation. Mr. Plumb also serves on the board of directors of The Sabin Children's Foundation, whose mission is to relieve the distress of children around the world. Mr. Plumb received a B.A. in Economics from Brigham Young University. Mr. Plumb's leadership experience, his executive leadership experience in a REIT, and general real estate and REIT background qualify him to serve on our Board of Directors.

Careina D. Williams has served as a member of our Board of Directors since 2022. Ms. Williams has served as a Principal at Sundance Bay, a real estate private equity firm that specializes in multifamily investing, net lease investing and real estate debt lending nationwide, since May 2020. Ms. Williams served as a member of Sundance Bay's Advisory Board from 2018 to 2020 prior to joining the firm as a Principal. In addition, from 2017 to 2018, Ms. Williams served as Chief Operating Officer of Zero G Capital Management LLC, an equity hedge fund, and from 2012 to 2017, Ms. Williams served as Principal, Acquisitions and Asset Management at Artemis Real Estate Partners, a real estate investment manager with a focus on multifamily, industrial, office, retail, hospitality, senior housing and medical office. Prior to her role at Artemis Real Estate Partners, from 2003 to 2012, Ms. Williams served as a Principal, Investments at Capri Capital Partners, LLC. Ms. Williams serves as a Trustee and Vice-Chair of the Investments & Endowment Committee of the United Church of Christ, and previously served as a Trustee and Chair of the Finance & Endowment Committee for Peoples Congregational Church of the United Church of Christ. Ms. Williams is also a member of the Urban Land Institute Commercial & Retail Development Council (Silver). Ms. Williams received an A.B. in Economics from Harvard University and an M.B.A. from Harvard Business School. Ms. Williams' expertise in credit analysis, her network of relationships within the real estate industry, her

experience in underwriting, financing, acquiring and managing real estate across a broad array of sub-classes, and her experience with environmental and sustainability issues in real estate qualify her to serve on our Board of Directors.

David M. Sedgwick has served as a member of our board since June 2022, as our Chief Executive Officer since January 2022, and as our President since February 2021. He previously served as our Chief Operating Officer from August 2018 through 2021, and as our Vice President-Operations from our formation in 2014 through August 2018. He is a licensed nursing home administrator and, prior to joining CareTrust REIT, served in several key leadership roles at Ensign since 2001. During 2013, he supported Ensign's skilled nursing operations in Colorado. During 2012, he served as President of Ensign's Maryland-based urgent care franchise venture, Doctors Express. From 2007 to 2012, Mr. Sedgwick served as Ensign's President of Facility Services and Chief Human Capital Officer and was responsible for overall facility support services, new acquisition integration, and Ensign University, which included Ensign's facility Chief Executive Officer recruiting and training program. From 2002 to 2007, he operated three Ensign skilled nursing facilities in two states. Mr. Sedgwick holds a B.S. in Accounting from Brigham Young University and an M.B.A. from the University of Southern California. Mr. Sedgwick's extensive operating experience and executive experience with CareTrust since our founding brings to the Board a deep understanding of our business and operations, critical knowledge of our properties and key tenants, substantial industry contacts and knowledge and understanding of the healthcare business in general.

Recommendation of the Board of Directors

Our Board of Directors recommends that the stockholders vote **FOR** the election of each of the five director nominees listed above. Unless otherwise instructed, the proxy holders will vote the proxies received by them **FOR** each such director nominee.

CORPORATE GOVERNANCE

Director Independence

Our Board of Directors has affirmatively determined that none of the Company's current non-employee directors (Diana M. Laing, Anne Olson, Spencer G. Plumb or Careina D. Williams) has a material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company) and that each such director is an independent director under the applicable rules of The New York Stock Exchange ("NYSE"). In this Proxy Statement, the aforementioned directors are referred to individually as an "Independent Director" and collectively as the "Independent Directors." Mr. Sedgwick does not qualify as an independent director under the applicable NYSE listing rules due to his current employment with the Company. Allen Barbieri and Jon Kline, who each served on our Board of Directors in 2022 until their resignations in March and May 2022, respectively, qualified as independent directors under applicable stock exchange rules during the period of their service on our Board of Directors.

Board Leadership Structure

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board, as the Board believes it is in the best interests of the Company to make that determination based upon the position and direction of the Company and the membership of the Board. In January 2022, in connection with Mr. Stapley's transition to Executive Chairman and Mr. Sedgwick's appointment as Chief Executive Officer, the Board reviewed its leadership structure and determined to separate the roles of Chief Executive Officer and Chairman of the Board. The Board of Directors determined that having Mr. Stapley, the Company's former Chief Executive Officer, continue to serve as Executive Chairman for a transition period continued to make the best use of Mr. Stapley's extensive knowledge of the Company and its industry while Mr. Sedgwick transitioned to the role of Chief Executive Officer. Because Mr. Stapley was not an Independent Director in his role as our Executive Chairman, the Independent Directors appointed Ms. Laing, one of our Independent Directors, as lead independent director effective January 1, 2022. As our lead independent director, Ms. Laing served as liaison between the Chairman of the Board and the Independent Directors; was responsible for assisting the Chairman in establishing the agenda and setting meeting schedules for Board meetings; presided at all meetings of the Board at which the Chairman on the Board was not present; was responsible for coordinating the agenda for, and chairing, the executive sessions of the Independent Directors; was available for consultation and direct communication if required by major stockholders; and performed other duties customary for a lead independent director.

Upon the retirement of Mr. Stapley as Executive Chairman and Mr. Sedgwick's appointment to the Board in June 2022, the Board of Directors determined it was in the Company's best interests to continue to separate the positions of Chief Executive Officer and Chair of the Board, with Ms. Laing serving as Chair of the Board. The Board believes that having a separate Chief Executive Officer and an independent Board Chair at this time will facilitate the transition process, allowing Mr. Sedgwick to focus on the operations of our business while the Chair can focus her attention on leading the Board in its responsibilities. The lead independent director role was eliminated in June 2022 with the transition to an Independent Director as Chair of the Board.

Our Board of Directors acknowledges that no single leadership model is right for all companies at all times. As such, our Board periodically reviews its leadership structure and may, depending on the circumstances, choose a different leadership structure in the future.

Board Role in Risk Oversight

Our Board of Directors is responsible for overseeing the Company's management of risk. The Board strives to effectively oversee the Company's enterprise-wide risk management in a way that balances managing risks while enhancing the long-term value of the Company for the benefit of the stockholders. The Board of Directors understands that its focus on effective risk oversight is critical to setting the Company's tone and culture towards effective risk management. To administer its oversight function, the Board seeks to understand the Company's risk philosophy by having discussions with management to establish a mutual understanding of the Company's overall

appetite for risk. Our Board of Directors maintains an active dialogue with management about existing risk management processes and how management identifies, assesses and manages the Company's most significant risk exposures. Our Board expects frequent updates from management about the Company's most significant risks so as to enable it to evaluate whether management is responding appropriately.

Our Board relies on each of its committees to help oversee the risk management responsibilities relating to the functions performed by such committees. Our audit committee periodically discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. Our audit committee also oversees cybersecurity matters and steps taken by management to manage cybersecurity-related risks. Our nominating and corporate governance committee oversees risks relating to the Company's corporate compliance programs and assists the Board and management in promoting an organizational culture that encourages commitment to ethical conduct and a commitment to compliance with the law. Our sustainability and corporate responsibility committee (the "SCR committee") oversees climate-related risks and opportunities, as well as risks relating to the Company's sustainability and corporate responsibility policies and initiatives. Each of these committees is required to make regular reports of its actions and any recommendations to the Board, including recommendations to assist the Board with its overall risk oversight function.

Our Board of Directors believes that the processes it has established to administer the Board's risk oversight function would be effective under a variety of leadership frameworks and therefore do not have a material effect on our leadership structure described under "— Board Leadership Structure" above.

Compensation Risk Assessment. The compensation committee identifies and considers risks related to our executive compensation, including during its review and approval of our executive compensation program. Our compensation programs are designed to reward our named executive officers and other employees for the achievement of the Company's corporate strategies, business objectives and the creation of long-term value for stockholders, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking. The compensation committee has concluded that the current executive compensation program does not encourage inappropriate or excessive risk-taking. In making its determination, the compensation committee has considered the overall compensation program structure, including namely that each named executive officer's direct compensation under our executive compensation program consists primarily of a fixed base salary, an annual incentive bonus opportunity and long-term equity incentive awards. Annual incentive bonuses are balanced with long-term equity incentives, which are generally subject to a multi-year vesting schedule.

Meetings and Attendance

During the year ended December 31, 2022, our Board of Directors held 6 meetings. Each member of the Board during 2022 attended at least 75 percent of the aggregate of all meetings of our Board and meetings of our Board committees on which he or she served during the period that he or she served in fiscal 2022. In addition, the Independent Directors regularly meet in executive sessions at which only Independent Directors are present in conjunction with our regularly scheduled meeting of the Board of Directors. These executive sessions are chaired by our independent Chair of the Board (who chaired the meetings in her capacity as our lead independent director prior to her appointment as Chair of the Board).

Although we do not have a formal policy regarding attendance by members of our Board of Directors at our annual meeting of stockholders, we encourage our directors to attend. All of our directors attended the 2022 annual meeting of stockholders.

Committees of the Board of Directors

Our Board of Directors has an audit committee, a compensation committee, a nominating and corporate governance committee and a sustainability and corporate responsibility committee. Each such committee has a written charter, a copy of which is posted on our website at www.caretrustreit.com under the Investors — Governance and Corporate Responsibility section. Each of our Board committees meets, at times, without management present. The following table presents the composition of the committees of our Board of Directors as of the date of this Proxy Statement and the number of meetings held by each committee in 2022:

Director	Audit Committee	Compensation Committee	Nominating and Corporate Governance Committee	Sustainability & Corporate Responsibility Committee
Diana M. Laing		•	•	Chair
Anne Olson	•		Chair	•
Spencer G. Plumb	•	Chair	•	
Careina D. Williams	Chair	•		•
David M. Sedgwick				
Total Meetings in 2022	5	7	5	4

Audit Committee. All members of the audit committee meet the independence requirements set forth by the SEC and the NYSE listing standards. Each member of our audit committee is financially literate in accordance with the NYSE listing standards. Our Board of Directors has determined that each of Mr. Plumb and Ms. Olson qualify as an “audit committee financial expert” as that term is defined in the rules and regulations established by the SEC. This designation is a disclosure requirement of the SEC related to the experience and understanding of each of Mr. Plumb and Ms. Olson with respect to certain accounting and auditing matters. The designation does not impose on Mr. Plumb or Ms. Olson any duties, obligations or liability that are greater than those generally imposed as a member of our audit committee and our Board of Directors, and such designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of our audit committee or Board of Directors. The primary functions of this committee include, among other things, to:

- be responsible for the appointment, compensation, retention and oversight of the work of our independent registered public accounting firm;
- review and approve in advance all permitted audit and non-audit engagements and relationships between us and our independent registered public accounting firm;
- evaluate our independent registered public accounting firm’s qualifications, independence and performance;
- review and discuss with our independent registered public accounting firm their audit plan, including the timing and scope of audit activities;
- discuss with our management and our independent registered public accounting firm the results of our annual audit and the review of our quarterly consolidated financial statements;
- review our critical accounting policies and practices;
- review the adequacy and effectiveness of our accounting and internal control policies and procedures;
- review with our management any significant deficiencies and material weaknesses in the design and operation of our internal controls;
- review with our management any fraud that involves management or other employees who have a significant role in our internal control over financial reporting;

- oversee cybersecurity matters, including assisting our Board of Directors in fulfilling its enterprise risk oversight responsibility by periodically assessing and recommending appropriate responses to cybersecurity-related risks;
- establish procedures for the receipt, retention and treatment of complaints regarding internal accounting controls or auditing matters and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters;
- review on an ongoing basis and approve or disapprove related party transactions; and
- prepare the audit committee report required by the rules of the SEC to be included in our annual proxy statement.

Representatives of our independent registered public accounting firm and our internal financial personnel regularly meet privately with and have unrestricted access to the audit committee.

Compensation Committee. All members of the compensation committee meet the independence requirements set forth by the NYSE listing standards. Each member of the compensation committee is a “non-employee director” (within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”)). The primary functions of this committee include, among other things, to:

- review executive compensation plans in light of the Company’s goals and objectives with respect to such plans, and adopt new, or amend existing, executive compensation plans as appropriate;
- evaluate the performance of our Chief Executive Officer and other executive officers;
- review and approve the compensation of our executive officers, including salary and bonus awards;
- review and make recommendations to the Board regarding compensation to directors for service on the Board and its committees;
- administer our various employee benefit and equity incentive programs;
- review and discuss with management our Compensation Discussion and Analysis and recommend to the Board whether the Compensation Discussion and Analysis should be included in the annual proxy statement or annual report, as applicable; and
- prepare an annual report on executive compensation for inclusion in our proxy statement.

The compensation committee may delegate any or all of its responsibilities to a subcommittee consisting of at least two members to the extent consistent with the Company’s Articles of Amendment and Restatement (as so amended, the “Charter”) and Bylaws, applicable law and the rules and regulations of the NYSE. The compensation committee has no current intention to delegate any of its other responsibilities to a subcommittee. The compensation committee may confer with the Board in determining the compensation for the Chief Executive Officer. In determining compensation for executive officers other than the Chief Executive Officer, the compensation committee considers, among other things, the recommendations of the Chief Executive Officer.

Pursuant to its charter, the compensation committee is authorized to retain or obtain the advice of compensation consultants, outside counsel, experts or other advisors to advise the compensation committee with respect to amounts or forms of executive and director compensation or in carrying out its other responsibilities. The compensation committee generally retains a compensation consultant to advise the committee with respect to the executive compensation program on a biannual basis. In 2020, the compensation committee retained Pearl Meyer & Partners, LLC (“Pearl Meyer”) as its compensation consultant to provide a full review of the executive compensation program for fiscal 2021. The compensation committee relied on this prior review in making its executive compensation decisions for fiscal 2022. In 2022, the compensation committee again retained Pearl Meyer

to provide a review of the executive compensation program, and the results of this review informed changes to the program approved in late 2022 as further described below in the Compensation Discussion and Analysis. The compensation committee has also retained Infinite Equity as an additional independent compensation consultant to provide ongoing design, valuation and accounting support for the relative total shareholder return (“TSR”) performance-based equity awards that were introduced into the executive compensation program for 2021 and continued for 2022. As discussed under “Compensation Discussion and Analysis — Role of the Compensation Consultant” below, the compensation committee has assessed the independence of Pearl Meyer and Infinite Equity and has concluded that its engagement of Pearl Meyer and Infinite Equity does not raise any conflict of interest with the Company.

Nominating and Corporate Governance Committee. The primary responsibilities of the nominating and corporate governance committee are to, among other things:

- assist in identifying, recruiting and, if appropriate, interviewing candidates qualified to become members of our Board of Directors, consistent with criteria approved by our Board of Directors and the nominating and corporate governance committee;
- recommend to our Board of Directors individuals qualified to serve as directors and on committees of our Board of Directors;
- advise our Board of Directors with respect to Board composition, procedures and committees;
- recommend to our Board of Directors certain corporate governance matters and practices; and
- conduct an annual self-evaluation of our Board of Directors.

Sustainability & Corporate Responsibility Committee. The primary responsibilities of the SCR committee are to, among other things:

- work with management to create and recommend policies relating to our sustainability and corporate responsibility philosophies and initiatives for approval by our Board of Directors;
- review our public sustainability and corporate responsibility communication plans and any reports to be issued in connection with our sustainability and corporate responsibility initiatives;
- to the extent our employee incentive plans for senior management include targets relating to our sustainability and corporate responsibility initiatives, assist the compensation committee in setting and administering any sustainability and corporate responsibility components of our executive incentive compensation plans;
- as requested by the nominating and corporate governance committee, review and make recommendations to our Board of Directors with respect to stockholder proposals relating to sustainability and corporate responsibility matters; and
- assist our Board of Directors in fulfilling its enterprise risk oversight responsibility by periodically assessing and recommending appropriate responses to risks relating to sustainability and corporate responsibility matters, including oversight of climate-related risks and opportunities.

The Company’s Director Nomination Process

As indicated above, our nominating and corporate governance committee is responsible for overseeing the director nomination process. This committee is responsible for assisting the Board of Directors in establishing minimum qualifications for director nominees, including the qualities and skills that members of our Board of Directors are expected to possess. Under our nominating and corporate governance committee charter, which is available on our website at www.caretrustreit.com under the Investors - Governance section, these criteria include

the candidate's knowledge, experience, skills, expertise and diversity. Our nominating and corporate governance committee oversees the process to identify and evaluate individuals qualified to become members of our Board of Directors. Our nominating and corporate governance committee makes recommendations to our Board of Directors regarding the selection of director nominees for the election at the next annual meeting of stockholders, or to fill vacancies on our Board of Directors occurring between annual meetings of our stockholders.

We believe it is important to have an appropriate mix of diversity for the optimal functionality of the Board of Directors and our Board of Directors and nominating and corporate governance committee are committed to actively seeking qualified women and individuals from minority groups to include in the pool from which new Board members or director nominees are selected. Three members of our Board of Directors, including our Chair of the Board, are female (Ms. Laing, Olson and Williams), representing 60% of the members of our Board and 75% of our Independent Directors. In addition, one of our directors, Ms. Williams self-identifies as African American. In addition to Ms. Laing's service as Chair of the Board, each of these Board members serves in a leadership role on our Board of Directors as Chair of one of our Board committees, with Ms. Laing serving as Chair of the sustainability & corporate responsibility committee, Ms. Olson serving as Chair of the nominating and corporate governance committee and Ms. Williams serving as Chair of the audit committee.

Our nominating and corporate governance committee charter requires that the nominating and corporate governance committee consider each candidate's background and qualifications, including knowledge, diversity, ability, judgment, skills and experience, in the context of the needs and current make-up of the Board of Directors when evaluating director nominees. The Board of Directors believes it is important for each member of the Board of Directors to possess skills and knowledge in the areas of leadership of large, complex organizations, leadership experience in publicly-traded companies, operational experience in heavily-regulated businesses, finance, strategic planning, legal, government relations and relevant industries, especially the healthcare and real estate industries. These considerations help the Board of Directors as a whole to have the appropriate mix of skills and experiences for the optimal functioning of the Board of Directors in its oversight of our Company. As part of its periodic self-assessment process, the nominating and corporate governance committee annually reviews and evaluates its performance, as well as the overall composition of the Board of Directors and the criteria that it uses for selecting nominees in light of the specific skills and characteristics necessary for the optimal functioning of the Board of Directors in its oversight of our Company.

The nominating and corporate governance committee will consider candidates for election or appointment to the Board recommended by stockholders. If a stockholder wishes to recommend a director candidate, the recommendation should be submitted in writing to the Chair, nominating and corporate governance committee, care of the Secretary of the Company, together with information about the stockholder and the candidate otherwise required for director nominations by a stockholder pursuant to Section 11 of Article II of our Bylaws, a copy of which will be made available upon request. The nominating and corporate governance committee may request additional information concerning the director candidate as it deems reasonably required to determine the eligibility and qualification of the director candidate to serve as a member of the Board of Directors. Stockholders recommending candidates for consideration by our Board of Directors in connection with the next annual meeting of stockholders should submit their written recommendation no later than January 1 of the year of that meeting. All recommendations will be brought to the attention of the nominating and corporate governance committee, and the nominating and corporate governance committee shall evaluate such director nominees in accordance with the same criteria applicable to the evaluation of all director nominees.

Stockholders who wish to nominate a person for election as a director in connection with an annual meeting of stockholders (as opposed to making a recommendation to the nominating and corporate governance committee as described above) must deliver written notice to our Secretary in the manner described in Section 11 of Article II of our Bylaws and within the time periods set forth at the end of this Proxy Statement under the section "Stockholder Proposals and Director Nominations for 2024 Annual Meeting of Stockholders."

Communications with Directors

Stockholders and other interested parties who would like to send communications to our Board, our Chair of the Board, any Board committee or our Independent Directors as a group may do so by submitting such communications to our Secretary at CareTrust REIT, Inc., 905 Calle Amanecer, Suite 300, San Clemente, California 92673. The name of any specific intended Board recipients should be clearly noted in the communication. We suggest, but do not require, that such submissions include the name and contact information of the stockholder or other individual making the submission and a description of the matter that is the subject of the communication. Communications are distributed to the Board, or to any individual directors as appropriate, depending on the facts and circumstances outlined in the communication. In that regard, our Board of Directors requests that certain items which are unrelated to the duties and responsibilities of the Board be excluded. The Secretary will not forward to the Board of Directors junk mail, job inquiries, business solicitations, offensive or otherwise inappropriate materials.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all employees, including employees of our subsidiaries, as well as each member of our Board of Directors. We last updated our code of business conduct and ethics in November 2019 to more closely align its provisions with our continuing commitment to sustainability and corporate responsibility. The current code of business conduct and ethics is available at our website at www.caretrustreit.com under “Governance Documents” in the Investors — Governance section of the website. We intend to satisfy any disclosure required under applicable rules of the SEC or NYSE regarding an amendment to, or waiver from, a provision of this code of business conduct and ethics by posting such information on our website, at the address specified above.

Board and Director Evaluation Process

Pursuant to the charter of the nominating and corporate governance committee, the nominating and corporate governance committee oversees an annual evaluation of the performance of the Board, including each committee of the Board. The evaluation process is designed to assess the overall effectiveness of the Board and its committees and to identify opportunities for improving Board and Board committee operations and procedures.

Succession Planning

The compensation committee is responsible for reviewing and making recommendations to the Board for executive officer development and retention and corporate succession plans for the Chief Executive Officer. The compensation committee also periodically works with appropriate members of management to review the Company’s general management succession plans. In performing these functions, the Chief Executive Officer makes available to the compensation committee his recommendations and evaluations of potential successors, along with his review of any development plans recommended for such individuals.

CORPORATE SOCIAL RESPONSIBILITY AND SUSTAINABILITY

We believe that sustainable development practices and consistent attention to social and governance priorities will help enhance long-term value for stockholders. In addition, our Board of Directors recognizes the importance of our sustainability initiatives and the need to provide effective oversight of those initiatives. In support of these initiatives, in 2020, our Board established the SCR committee, a committee of the Board comprised solely of Independent Directors, and we also established an internal environmental, social and governance steering committee (“ESG committee”), which is made up of a representative group of our employees. Our ESG committee is an internal, multi-disciplinary body formed to support the Company’s on-going commitment to the environmental, health and safety, corporate social responsibility, corporate governance, sustainability, and other public policy matters relevant to the Company (collectively, “ESG Matters”). The ESG committee, among other things, assists the Company’s senior management in setting the Company’s general strategy related to ESG Matters and develops, proposes, implements and monitors initiatives and policies at the Company based on that strategy. Members of the ESG committee report regularly to the SCR committee of our Board of Directors. For more information on the SCR committee and its role in overseeing the ESG Matters, see “Corporate Governance — Committees of the Board of Directors.”

In 2022, we published our second annual Corporate Social Responsibility Report, which reflects our commitment to provide regular and transparent reporting on ESG Matters. We have also codified many of our existing sustainability practices and philosophies by adopting a set of ESG policies and programs that address concerns such as human rights and climate change. A summary of these policies is provided below. In addition, copies of these ESG policies and our 2021 Corporate Social Responsibility Report are posted on our website at www.caretrustreit.com under the Investors — Governance and Corporate Responsibility sections.

- *Environmental, Social & Governance Policy.* This policy sets forth, among other things, our commitment to reducing the environmental risks from our buildings and our business operations, our commitment to advancing our ESG priorities through our incentive compensation plans and our operational and social and governance best practices.
- *Policy on Human Rights & Responsibilities.* We are committed to the dignity and rights of all people, especially those whose lives may be impacted by our properties and business activities. Our Policy on Human Rights and Responsibilities addresses, among other things, child labor, forced labor, the basic dignity of each resident and patient at our facilities, occupational health and safety, discrimination and the compensation and promotion of our employees.
- *Policy on Human Capital.* Our employees are at the heart of our Company and we are committed to their health, professional development and workplace satisfaction. Our core philosophies and policies in this regard, which are outlined in our Policy on Human Capital, relate to, among other things, the diversity of our workforce and our commitment to maintaining a workplace free of unlawful discrimination, competitive compensation and benefits for our employees, and our commitment to employee retention, training, engagement and satisfaction.
- *Policy on Environmental Sustainability.* We strive in our corporate offices, and encourage the operators of our net-leased properties, to more efficiently use resources and avoid or reduce practices that carry environmental risks or negative impacts. As part of our Policy on Environmental Sustainability, we have implemented several corporate office initiatives to promote environmental sustainability.
- *Tenant Code of Conduct & Corporate Responsibility.* Our Tenant Code of Conduct & Corporate Responsibility (the “Tenant Code”) aims to assist our triple-net tenants in maintaining, renovating, developing and operating their facilities in a manner consistent with generally accepted standards of sound governance. The Tenant Code establishes our Tenant ESG Program and outlines environmental risks and opportunities facing our tenants, such as greenhouse gas emissions, energy and system efficiency and health indoor environmental quality. Through our Tenant ESG Program, we offer subsidies and other

incentives to tenants who wish to participate in the program and we help facilitate environmentally sound improvements to our properties.

- *Vendor Code of Conduct & Business Ethics.* We expect our partners, suppliers and vendors, as well as their employees, agents and subcontractors, to comply with our Vendor Code of Conduct & Business Ethics (the “Vendor Code”). Our Vendor Code addresses, among other topics, confidentiality and data protection, human rights and labor standards, health and safety, fair competition and other business practices.

EXECUTIVE OFFICERS

The following table presents information regarding our current executive officers. The information is current as of the date of this Proxy Statement:

Name	Age	Position
David M. Sedgwick	47	President and Chief Executive Officer
William M. Wagner	57	Chief Financial Officer and Treasurer
James B. Callister*	47	Chief Investment Officer and Secretary

*Mr. Callister was appointed as our Chief Investment Officer effective December 31, 2022, succeeding Mr. Lamb in that role. Mr. Callister has served as our Executive Vice President since July 2022.

Information on the business background of David M. Sedgwick is set forth under “Proposal 1: Election of Directors.”

William M. Wagner has served as our Chief Financial Officer and Treasurer since December 2013 and also serves as our principal accounting officer. Mr. Wagner served as our Secretary from December 2013 to October 2016 and from October 2017 to February 2021. Mr. Wagner served as Chief Financial Officer of First Team Real Estate, a private real estate brokerage company, from 2012 to 2013. From 2008 to 2012, Mr. Wagner served as Senior Vice President and Chief Accounting Officer of Nationwide Health Properties, Inc., a healthcare REIT. From 2004 to 2008, Mr. Wagner served as Senior Vice President and Chief Accounting Officer of Sunstone Hotel Investors, Inc., a lodging REIT. From 2001 to 2004, Mr. Wagner served as Vice President, Financial Reporting of The TriZetto Group, Inc. From 1999 to 2001, Mr. Wagner worked for two internet start-up ventures. From 1997 to 1999, Mr. Wagner served as Director, Financial Reporting of Irvine Apartment Communities, Inc., a multifamily REIT. From 1990 to 1997, Mr. Wagner worked for EY Kenneth Leventhal Real Estate Group and served real estate clients including several REITs. Mr. Wagner received a B.A. in Business Administration from the University of Washington and is a Certified Public Accountant (inactive) in the State of California.

James B. Callister has served as our Chief Investment Officer and Secretary since December 31, 2022 and served as our Executive Vice President and Secretary since July 2022. He previously served as our General Counsel and Secretary from February 2021 to July 2022. Prior to joining the Company, Mr. Callister worked as a real estate attorney and a partner at the law firm of Sherry Meyerhoff Hanson & Crance LLP and, before that, the law firm of O’Melveny & Myers LLP. Since 2008, he has worked almost exclusively on healthcare REIT transactions, closing on acquisitions or financings of over 300 skilled nursing, seniors housing, and independent living facilities on transactions involving the investment of over \$2.5B across 35 states. Mr. Callister has assisted in the structuring, negotiating and closing of all of CareTrust’s acquisitions since its formation as a REIT. As an attorney, Mr. Callister worked for nearly 20 years in private practice representing and advising clients in a diverse array of real estate transactions. Mr. Callister’s transactions-based legal experience has focused on the representation of publicly-traded REITs in the acquisition, disposition, leasing, and financing of healthcare-related properties. Mr. Callister holds a B.A. in History from Brigham Young University and a J.D. from the J. Reuben Clark Law School at Brigham Young University, where he graduated magna cum laude.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis describes the material elements of the Company's named executive officer compensation program and analyzes the compensation decisions made for our executive officers included in the Summary Compensation Table below (the "named executive officers").

2022 Named Executive Officers

Our named executive officers for 2022 were:

David M. Sedgwick — President and Chief Executive Officer*

Gregory K. Stapley — Former Executive Chairman of the Board*

William M. Wagner — Chief Financial Officer and Treasurer

James B. Callister — Executive Vice President**

Mark D. Lamb — Former Chief Investment Officer**

*Mr. Sedgwick was appointed as our President and Chief Executive Officer effective January 1, 2022, succeeding Gregory K. Stapley. Mr. Stapley continued to serve as Executive Chairman of the Board until June 28, 2022.

**Mr. Callister was appointed as our Chief Investment Officer effective December 31, 2022, succeeding Mr. Lamb in that role. Mr. Callister has served as our Executive Vice President since July 2022.

Introduction

During 2022, our named executive officers continued to navigate through the negative impacts of the COVID-19 pandemic and its effects on our tenants and the industry more generally. In February 2022, in response to these negative impacts, we announced plans to pursue the sale, re-tenanting, or repurposing of up to 32 assets representing approximately 10% of contractual cash rent (the "Repositioning Plan"). We engaged in an exhaustive process during the course of a volatile 2022 to implement the Repositioning Plan. By February 2023, we had sold 13 of the properties and decided to retain 14 properties, leaving 5 properties that were still on the market as of the end of February 2023. During the year ended December 31, 2022, we recognized an impairment charge of \$79.1 million in connection with this plan, of which \$45.0 million related to 12 properties sold during 2022, \$18.0 million related to 10 properties that were classified as held for sale in the first quarter of 2022 and reclassified to held for use in the third and fourth quarters of 2022, \$14.4 million related to 5 properties that were held for sale as of December 31, 2022, and \$1.7 million related to one property that was held for use during 2022. As a result of the Repositioning Plan, we believe we have positioned our company for future growth with a strong balance sheet and capital options available to fund opportunistic growth. Our operating and financial performance highlights achieved in 2022, which reflect continued negative impacts of the COVID-19 pandemic and our Repositioning Plan, included:

- Collecting 95.2% of contractual cash rents from our tenants during 2022 including cash deposits used to offset rent shortfalls and 94.0% of contract rents due from our tenants during 2022 excluding cash deposits;
- Posting a net loss per diluted common share of \$0.08 (compared to net income per diluted common share of \$0.74 in 2021), while holding normalized funds from operations ("FFO" and as normalized "NFFO") per diluted common share at \$1.49 in 2022 (\$1.49 in 2021) and normalized funds available for distribution ("FAD") per diluted common share to \$1.57 in 2022 (compared to \$1.59 in 2021);¹
- Increasing our common dividend by \$0.04 to \$1.10 from \$1.06;
- Maintaining an impressive 4.01x average quarterly net debt to normalized run rate earnings before interest expense, income tax, depreciation and amortization and amortization of stock-based compensation ("EBITDA") for the year ended December 31, 2022;¹

- Acquiring 2 properties (consisting of one skilled nursing facility and one multi-service campus) and expanding two existing net-lease tenant relationships;
- Investing approximately \$169.2 million (inclusive of transaction costs) in new investments including the 2 acquired properties and \$147.2 million of new loans;
- Repositioning the portfolio through a combination of dispositions, restructurings, and conversions;
- Expanding asset classes for investment to include behavioral health properties; and
- Achieving our goals related to Environmental, Social, and Governance including “green lease” language, ESG criteria to underwriting, and capital improvement subsidies for sustainable choices.

(1) See Appendix A for a reconciliation of normalized FFO, normalized FAD and normalized EBITDA to net income computed in accordance with accounting principles generally accepted in the United States (“GAAP”) and the calculation of net debt to normalized run rate EBITDA.

Executive Compensation Program Highlights

Highlights of our executive compensation program for 2022 include:

- Our executive compensation program is structured so that more than two-thirds of the named executive officers’ total annual compensation opportunity is at risk and tied to both short-term and long-term performance;
- Annual equity and cash incentive bonuses are performance based and tied to the achievement of performance metrics that we believe are aligned with the Company’s corporate strategies, business objectives and the creation of long-term value for our stockholders;
- Long-term equity incentive awards to the named executive officers are divided equally between time-based and performance-based awards. For 2022, we continued the new long-term equity award program structure we implemented for our 2021 awards. Under this program, (1) performance-based equity awards are subject to cliff-vesting at the end of three years, rather than being eligible to vest on an annual basis over the length of the performance period, (2) the “catch-up” vesting opportunity for missed performance years in our prior plan design has been eliminated, (3) awards have a different performance metric (the Company’s TSR performance relative to a custom TSR peer group consisting of 14 other publicly traded healthcare REITs) than any of the performance metrics used to measure performance for our annual cash incentive awards, and (4) awards become earned solely based on our TSR performance, which we believe creates a direct link between the value realized by our named executive officers and our stockholders; and
- Since 2020, we have included an additional incentive component to the performance metrics for our President and Chief Executive Officer’s annual cash incentive bonus opportunity that require the achievement of certain measurable environmental, social and governance objectives (“ESG Incentives”).

Objectives of Our Executive Compensation Program

Our executive compensation program is designed to achieve the following objectives:

- Attract, motivate and retain quality executive officers to ensure the success and growth of the Company;
- Align executive compensation with the Company’s corporate strategies, business objectives, corporate responsibility initiatives and the creation of long-term value for our stockholders;
- Connect short- and long-term incentive awards to performance metrics that we believe drive the performance of our Common Stock over the long-term;

- Utilize various performance metrics to minimize the potential for risk associated with over-weighting any particular performance metric; and
- Link our named executive officers' interests with our stockholders' interests by tying executive compensation to our performance and increases in long-term stockholder value.

Role of the Compensation Committee

Pursuant to its charter, the compensation committee has the authority to determine the amount of compensation given to each of the named executive officers. The compensation committee annually evaluates the performance of each of the named executive officers and determines compensation levels based on its performance evaluation. The compensation committee also, among other things, approves our executive compensation plans and policies, and is responsible for administering our equity incentive plan, with authority to approve award grants under the plan. In performing its duties, the compensation committee is authorized to consider the recommendations of our Chief Executive Officer when determining the compensation of the other named executive officers.

Each element of our executive compensation program was unanimously approved by the compensation committee. All compensation committee members are independent under applicable NYSE rules. None of our named executive officers is a member of our compensation committee or otherwise had any role in determining the compensation of our other named executive officers, other than the Chief Executive Officer's recommendations to the compensation committee as to the compensation of the other named executive officers.

Role of the Compensation Consultant

Pursuant to its charter, the compensation committee is authorized to retain or obtain the advice of compensation consultants, outside counsel, experts or other advisors to advise the compensation committee with respect to amounts or forms of executive compensation or in carrying out its other responsibilities. In 2020, the compensation committee retained Pearl Meyer as its independent compensation consultant to provide a full review of the executive compensation program for 2021. In 2022, the compensation committee again retained Pearl Meyer to provide a review of the executive compensation program. Since 2021, the compensation committee has also retained Infinite Equity as an additional independent compensation consultant to provide ongoing design, valuation, and accounting support for our new relative TSR performance-based equity awards that were introduced into our executive compensation program for 2021. The compensation committee is directly responsible for the appointment, compensation and oversight of Pearl Meyer's and Infinite Equity's work. The compensation committee has assessed the independence of Pearl Meyer and Infinite Equity pursuant to applicable SEC and NYSE rules and concluded that no conflict of interest existed with respect to Pearl Meyer's or Infinite Equity's services to the compensation committee. Neither Pearl Meyer nor Infinite Equity has performed any services for us, except for compensation-related services on behalf of, and as instructed by, the compensation committee.

In connection with Pearl Meyer's engagement in 2020, Pearl Meyer provided advice on a newly constructed peer group described below that was approved in the beginning of 2021 and conducted an independent review of our executive compensation program at the end of 2020 to provide a competitive reference on pay levels, design, structure and performance alignment for our 2021 executive compensation program. As part of its review at the end of 2020, Pearl Meyer analyzed the salaries, target bonus opportunities, target cash compensation opportunities, equity award opportunities and targeted total direct compensation paid by our peer group of companies described below. The compensation committee relied on this prior review in making its executive compensation decisions for fiscal 2022, including with respect to the base salary increases and annual cash incentive bonus targets established for 2022 as described below.

Peer Companies

At the end of 2020, the compensation committee engaged Pearl Meyer to provide advice on a newly constructed peer group that was used by Pearl Meyer in its independent review of our executive compensation program. In constructing the peer group, Pearl Meyer and the compensation committee determined to select (1) publicly traded REITs that had greater overlap with the peer companies used by proxy advisory firms to evaluate our executive compensation program, and (2) publicly traded REITs that had a comparable market capitalization to us as of August 1, 2020.

The compensation committee selected the following companies as our peer group for the executive compensation review conducted for 2021 (the “Peer Group”):

Peer Group
Agree Realty Corporation
Community Healthcare Trust Incorporated
EPR Properties
Four Corners Property Trust, Inc.
Healthcare Realty Trust Incorporated
Healthcare Trust of America, Inc.
Investors Real Estate Trust
LTC Properties, Inc.
National Health Investors, Inc.
Omega Healthcare Investors, Inc.
Pebblebrook Hotel Trust
Physicians Realty Trust
Piedmont Office Realty Trust, Inc.
Retail Opportunity Investments Corp.
Sabra Health Care REIT, Inc.
Terreno Realty Corporation
Washington Real Estate Investment Trust

The information in the Pearl Meyer compensation survey is used by the compensation committee to inform its decision-making process with respect to compensation amounts for the named executive officers. While the compensation committee does not rigidly adhere to a peer-based benchmarking strategy in setting compensation amounts for our named executive officers, the compensation committee’s philosophy is to target our named executive officers’ total targeted direct compensation (which is base salary + target annual cash incentive + target grant date value of long-term equity awards) at approximately the 50th percentile of total targeted direct compensation provided by our peer group companies to their similarly situated executives.

The compensation committee does not currently believe a comprehensive executive compensation review needs to be performed on an annual basis and intends to engage a compensation consultant to perform a comprehensive review of our executive compensation program approximately every two years, or more frequently if it is considering any structural changes to our executive compensation program. Consistent with this intent, the information in the 2020 executive compensation review was used by the compensation committee to inform its decision-making process with respect to the 2022 compensation amounts for the named executive officers. In addition, the compensation committee engaged Pearl Meyer to update its executive compensation review in late 2022 for the purpose of informing executive compensation decisions with respect to 2023, including the annual equity awards granted in December 2022 for 2023 as further described below.

Role of Stockholder Say-on-Pay Votes

At the Annual Meeting, we will be providing our stockholders with the opportunity to cast a non-binding, advisory vote on the compensation of our named executive officers. This vote is known as the “say-on-pay” proposal. Stockholders have overwhelmingly voted in favor of our say-on-pay proposal since they first had an

opportunity to do so at our 2017 annual meeting of stockholders, with over 97% of the votes cast in favor of our say-on-pay proposal at our 2022 annual meeting of stockholders and at each of our previous annual meetings of stockholders since 2017. We believe the overwhelmingly positive support demonstrates that stockholders support the structure and objectives of our executive compensation program. We believe the refinements introduced into our executive compensation program in 2021 and maintained in 2022 continue to improve the performance-based design of our program, and that our recent relative TSR long-term equity awards further link the interests of our named executive officers and our stockholders. The compensation committee will consider the outcome of this year's say-on-pay proposal when making future compensation decisions for the named executive officers.

Material Elements of Compensation

2022 Base Salaries

We pay each named executive officer a fixed base salary to provide each executive with a minimum level of cash compensation. One aspect of our executive compensation philosophy is to pay a base salary level that, when combined with the annual performance-based cash bonus opportunity and the target value of annual long-term equity awards, results in more than two-thirds of the named executive officers' total annual compensation opportunity being at risk and tied to performance metrics and/or the price of our Common Stock.

Decisions regarding adjustments to base salaries are made at the discretion of our compensation committee, after considering each executive's current base salary, job responsibilities, performance, the base salaries paid by our Peer Group companies to similarly situated executives and our base salary compensation philosophy described above. No named executive officers are entitled to any automatic base salary increases.

The compensation committee reviewed each named executive officer's (other than Mr. Callister's) base salary in December 2021 and approved the following increases to their annual base salary for 2022: Mr. Sedgwick's base salary was increased from \$495,000 to \$700,000 in recognition of his promotion to President and Chief Executive Officer; Mr. Wagner's base salary was increased from \$472,500 to \$529,200; and Mr. Lamb's base salary was increased from \$472,500 to \$529,200. The compensation committee determined the base salary increases for each named executive officer were appropriate to adjust for approximate cost of living increases and a merit increase based on 2021 performance and, in the case of Mr. Sedgwick, to account for Mr. Sedgwick's increased responsibilities as President and Chief Executive Officer. The compensation committee also determined to continue Mr. Stapley's annual base salary level of \$809,325 for his role as Executive Chairman and assistance he would be providing to Mr. Sedgwick in connection with the transition of the Chief Executive Officer role, with recognition that Mr. Stapley was expected to continue as Executive Chairman for only an approximately six-month transition period during 2022. Further, upon Mr. Callister's appointment as Executive Vice President in July 2022, Mr. Callister's annual base salary remained unchanged at \$465,000.

2022 Annual Cash Incentive Awards

In General. We provide our named executive officers with a performance-based annual cash incentive compensation opportunity to motivate and reward the executives for their achievement of annual financial and operational goals and other strategic objectives measured over the year. We believe the annual cash incentive opportunity helps further our compensation objective of aligning executive compensation with achievement of the Company's corporate strategies, business objectives and the creation of long-term value for our stockholders.

Design. Based on input from Pearl Meyer, the compensation committee redesigned the structure of the annual cash incentive program for 2021 to more closely reflect peer group practices, and the compensation committee continued this program structure for 2022. The principal change to the named executive officers' cash incentive opportunity under this new program structure was that the compensation committee determined to approve a predetermined target bonus amount for each named executive officer, rather than having percentage values for each performance metric that are multiplied by an executive's base salary in order to determine the bonus payout. We believe that having a predetermined target bonus amount, coupled with upside and downside leverage, is more consistent with the practices of our peer group based on Pearl Meyer's study. As further described below, for 2022

the compensation committee has retained the key incentive metrics used for annual cash incentive opportunities in prior years. The compensation committee believes that these incentive metrics have served to effectively incentivize our named executive officers' performance. The compensation committee also determined to continue use of a separate ESG Incentives metric for our President and Chief Executive Officer.

Incentive Targets. For 2022, the compensation committee established the following annual cash incentive bonus targets for each named executive officer (other than Mr. Stapley and Mr. Callister). The compensation committee determined that Mr. Stapley would not be eligible for a cash incentive bonus opportunity for 2022 in his role as Executive Chairman. Mr. Callister was not an executive officer at the time the annual cash incentive plan was approved for 2022 and, therefore, did not participate in the annual cash incentive plan during 2022.

Named Executive Officer	Annual Cash Incentive Bonus Target	
David M. Sedgwick	\$	1,000,000
William M. Wagner	\$	529,200
Mark D. Lamb	\$	504,000

For Mr. Sedgwick, the above annual cash incentive bonus target was set slightly lower than the annual cash incentive bonus target established for Mr. Stapley in 2021 when he was our Chief Executive Officer. For Mr. Wagner and Mr. Lamb, the above annual cash incentive bonus targets represented the same approximate percentage of each named executive officer's annual base salary in both 2021 and 2022 (100% in the case of Mr. Wagner and 95% in the case of Mr. Lamb).

Incentive Metrics. Under our annual cash incentive plan design for 2022, the compensation committee selected the following performance measures to evaluate executive incentive performance:

- (1) NFFO per share for 2022;
- (2) capital deployment;
- (3) average net debt to normalized run rate EBITDA calculated at each quarter end during 2022; and
- (4) for our President and Chief Executive Officer, certain ESG Incentives as further described below.

FFO, as defined by the National Association of Real Estate Investment Trusts ("Nareit"), is an important supplemental measure not computed in accordance with GAAP and measures operating performance for a REIT. FFO is defined by Nareit as net income computed in accordance with GAAP, excluding gains or losses from real estate dispositions, real estate depreciation and amortization and impairment charges, and adjustments for unconsolidated partnerships and joint ventures. We compute FFO in accordance with Nareit's definition. NFFO adjusts FFO for certain revenue and expense items that we do not believe are indicative of our ongoing operating results, such as provision for loan losses, provision for doubtful accounts and lease restructuring, effect of the senior unsecured notes payable redemption, recovery of previously reversed rent, lease termination revenue, accelerated amortization of stock-based compensation, non-routine transaction costs, loss on extinguishment of debt, unrealized loss on other real estate related investments and property operating expenses. Normalized EBITDA represents net income before interest expense (including amortization of deferred financing costs) and amortization of stock-based compensation, and depreciation and amortization, adjusted for certain income and expense items we do not believe are indicative of our ongoing operating results, such as real estate impairment charges, provision for loan losses, provision for doubtful accounts and lease restructuring, recovery of previously reversed rent, lease termination revenue, property operating expenses, non-routine transaction costs, loss on extinguishment of debt, unrealized loss on other real estate related investments and gains or losses from dispositions of real estate or other real estate. These performance measures are non-GAAP financial measures for which net income is the most directly comparable financial measure reported under GAAP.

The compensation committee chose NFFO per share as a performance metric because the committee believes it is a common performance metric used by investors to evaluate the performance of REITs, and the committee

believes that motivating the executives to drive growth in our NFFO per share performance will in turn benefit stockholders in the form of increased stockholder returns. For 2022, the compensation committee determined the following threshold, target and high performance levels for our NFFO per share: NFFO per share of \$1.3213 to earn the threshold bonus amount, \$1.355 to earn the target bonus amount, and \$1.381 to earn the high bonus amount payable with respect to this performance measure.

The NFFO per share performance levels set by the compensation committee were lower than the NFFO per share levels established for 2021 to reflect expected lower revenue levels during 2022 compared to 2021 due to the Repositioning Plan described above and the continued impact from the COVID-19 pandemic. The compensation committee determined a target level for our 2022 NFFO per share performance that represented business plan expectations for 2022, including the lower revenue expectations as well as expected investment and disposition activity. The threshold NFFO per share performance level for 2022 reflected a higher possible COVID-related rental revenue impact to account for, among other things, rent collection at levels lower than expected as well as possible re-tenanting or rent deferral actions for certain tenants. Conversely, the high NFFO per share performance level was set at a level that could be achieved only if our 2022 NFFO per share exceeded our expectations. The compensation committee believed the target NFFO per share level would require the named executive officers to successfully execute our business plan during 2022, while it believed the maximum bonus opportunity for the NFFO per share performance metric was a stretch goal that was meant to be difficult to attain. The compensation committee determined that the lower NFFO per share metrics for each of the threshold, target and high levels compared to prior years was appropriate in light of the increasing challenges facing the Company that were expected to continue in 2022 related to the ongoing COVID-19 pandemic and continued disruptions created by industry dynamics that had adversely impacted regular patterns of investment growth.

The compensation committee chose our capital deployment and our 2022 average quarterly net debt to normalized run rate EBITDA ratio as performance metrics because it wanted to motivate the executives to grow our portfolio and pursue new tenant relationships with quality operators to further diversify our revenue stream, while at the same time motivating the executives to responsibly manage our leverage ratios and our overall capital structure.

For 2022, the compensation committee required capital deployment of \$75 million to earn the threshold bonus amount, \$100 million to earn the target bonus amount, and \$125 million to earn the high bonus amount payable with respect to this performance measure. Additionally, a super high performance measure was included as part of the capital deployment objective, which required capital deployment of \$400 million to earn the super high bonus amount payable with respect to this performance measure. With respect to our leverage levels, the compensation committee required a 2022 average quarterly ratio of net debt to normalized run rate EBITDA to be 4.25x to earn the threshold bonus amount, 4.0x to earn the target bonus amount, and 3.75x to earn the high bonus amount payable with respect to this performance measure. The capital deployment targets were lower compared to 2021 in light of the expected continued challenging industry dynamics for investments and the Company's focus on the Repositioning Plan, except that the capital deployment target was held constant at the super high amount compared to 2021 to reward the named executive officers if investment activity in 2022 significantly exceeded expectations. Finally, the net debt-to-normalized EBITDA ratio targets were set at the same levels as 2022. As noted above, we believe these capital deployment and ratio of net debt to normalized EBITDA targets operated in tandem to motivate the executives to grow and diversify our portfolio while at the same time motivating them to responsibly manage our capital structure and use of leverage.

The following table illustrates the performance metrics set forth above for the named executive officers at the threshold, target, high and super high bonus levels.

Performance Measure	Threshold	Target	High	Super High
NFFO per share	\$ 1.3213	\$ 1.355	\$ 1.381	\$ —
Capital Deployment (in millions)	\$ 75	\$ 100	\$ 125	\$ 400
Average Quarterly Net Debt to Normalized Run Rate EBITDA	4.25x	4.0x	3.75x	—

In addition to the performance metrics above, the compensation committee decided to continue the ESG Incentives for our President and Chief Executive Officer to reinforce the Company's commitment to achieving its ESG targets. The ESG Incentives that our President and Chief Executive Officer were required to achieve to receive the ESG Incentives amount at either a threshold, target or high level were as follows for 2022:

- *ESG Incentives Threshold:* Begin using "Green Lease" language and ESG criteria in the Company's underwriting checklist.
- *ESG Incentives Target:* Meet threshold requirement above plus implement utilities tracking for another 25 properties.
- *ESG Incentives High:* Meet target requirement above plus implement five capital expenditure projects under our Tenant ESG Program.

The following table illustrates the weighting of each performance measure for each named executive officer at the threshold, target, high and super high bonus levels.

Performance Measure Weighting

Name	Level	NFFO per share	Capital Deployment	Net Debt to Normalized Run Rate EBITDA	ESG Incentives	Total
David M. Sedgwick	Threshold	25 %	15 %	20 %	5 %	65 %
	Target	40 %	25 %	27.5 %	7.5 %	100 %

	High	50 %	55 %	30 %	— %	135 %
	Super High	50 %	100 %	30 %	— %	180 %

The actual annual cash incentive earned by each named executive officer is determined by the sum of the percentage values for each metric at the level achieved for that metric multiplied by each executive's target bonus amount. If the actual performance level achieved for any metric falls below the threshold level, no percentage is awarded for that metric. If the actual performance is above the high level, high level is awarded for that metric (except for capital deployment, where there is a super high opportunity). If actual performance is in between, the percentage for each metric is calculated using straight line linear interpolation.

On February 1, 2023, the compensation committee assessed performance based on actual results achieved for 2022. The compensation committee determined that the Company achieved a 2022 NFFO per share amount of \$1.492, 2022 capital deployment of approximately \$169.2 million, and a 2022 average quarterly net debt to normalized run rate EBITDA ratio of 4.01x. Based on the Company's accomplishments with respect to the sustainability initiatives required by the ESG Incentives described above, the SCR committee determined that each of the ESG Initiatives were met and the compensation committee determined that this performance metric was met at the high performance level with respect to the annual cash incentive award for our President and Chief Executive Officer.

The following table illustrates the percentage value actually achieved for each performance metric based on our 2022 performance.

Performance Metric	Threshold	Target	High	Actual

The following table illustrates the actual 2022 cash incentive awards approved by the compensation committee:

Named Executive Officer	Actual Performance	Target Bonus	Cash Incentive Award
David M. Sedgwick	127.2 %	\$ 1,000,000	\$ 1,272,000
William M. Wagner	129.8 %	\$ 529,200	\$ 686,902
Mark D. Lamb	124.6 %	\$ 504,000	\$ 627,984

Mr. Callister was not an executive officer at the time the annual cash incentive plan was approved for 2022, and, therefore, did not participate in the annual cash incentive plan during 2022. Per the terms of Mr. Callister's employment prior to him being an executive officer, Mr. Callister was eligible to receive a cash bonus in an amount up to 75% of his annual base salary. Mr. Callister's annual base salary in 2022 was \$465,000 and he received a cash

bonus payment for 2022 in the amount of \$348,750. Mr. Callister's bonus was awarded to recognize both his individual performance and the Company's performance for 2022.

Long-Term Equity Incentive Awards Granted in 2022

In General. The compensation committee believes that stock-based incentives align the interests of our named executive officers with the interests of our stockholders, and that the long-term compensation of the named executive officers should be linked to the value provided to our stockholders. Our stock-based incentives are structured in the form of full value stock awards payable in shares of our Common Stock that may increase or decrease in value over the multi-year vesting period. Our stock awards are designed to reward long-term performance and generally consist of an equal number of time- and performance-based vesting awards. We also use stock-based compensation as a retention tool. Because the stock awards generally vest over a multi-year period subject to continued employment with the Company (and subject to the achievement of the applicable performance-vesting conditions), these awards provide our executives with an ongoing incentive to continue their employment with the Company and to maximize stockholder value.

As part of the design changes for our 2021 equity awards, we decided to move away from our prior practice of determining the amount of each named executive officer's long-term equity award based on the achievement of the annual incentive plan performance metrics in the prior year. Instead, based on the advice of Pearl Meyer, beginning in 2021 we switched to a philosophy of awarding each named executive officer a target grant date value of long-term equity awards that is consistent with our philosophy of targeting our named executive officers' total targeted direct compensation at approximately the 50th percentile of total targeted direct compensation provided by our 2022 Peer Group companies to their similarly situated executives. We believe this is consistent with the practice at our 2022 Peer Group companies and will result in each named executive officer receiving a market-based long-term incentive opportunity each year.

In addition, beginning with our equity grants made in December 2021, we changed the timing of our annual equity grant schedule to late in the fourth quarter of each calendar year. We believe making annual equity awards in the fourth quarter of each calendar year (instead of during the first quarter of each calendar year) better allows us to take our performance for the calendar year into account when determining the level of equity awards to be granted, while also ensuring that the applicable service period for those awards commences after their grant date.

The compensation committee believes this performance-based award structure that began in 2021 includes several improvements over our prior plan design, including (1) awards cliff-vest at the end of three years, rather than being eligible to vest on an annual basis over the length of the performance period, (2) the "catch-up" vesting opportunity for missed performance years in our prior plan design has been eliminated, (3) awards now have a different performance metric (relative TSR) than any of the performance metrics used to measure performance for our annual cash incentive awards, and (4) awards will become earned solely based on our TSR performance, which we believe creates a direct link between the value realized by our named executive officers and our stockholders.

2022 Annual Equity Awards. Consistent with the change in equity grant timing described above, the compensation committee approved annual equity awards for 2022 in December 2021. These long-term equity incentive awards are each divided equally between time-based and performance-based awards. The time-based awards granted in December 2021 vest ratably over a three-year vesting period, with the first installment vested on January 31, 2023 and the remaining installments vesting on each of January 31, 2024 and 2025 so long as the named executive remains employed with the Company. The performance-based equity awards granted in December 2021 are eligible to cliff-vest at the end of a three-year performance period ending December 31, 2024 based on the Company's TSR performance relative to a custom TSR peer group consisting of other publicly traded healthcare REITs. The 2022 annual equity awards are intended as compensation to the named executive officers for 2022; however, because they were granted in December 2021, these 2022 annual equity awards were reported in the Summary Compensation Table as compensation to the named executive officers in 2021.

2023 Annual Equity Awards. Similar to the 2022 annual equity awards, the compensation committee approved annual equity awards for 2023 in December 2022. These long-term equity incentive awards are also each

divided equally between time-based and performance-based awards. The time-based awards granted in December 2022 will vest ratably over a three-year vesting period, with installments vesting on each of January 31, 2024, 2025 and 2026 so long as the named executive remains employed with the Company. The performance-based equity awards granted in December 2022 will be eligible to cliff-vest at the end of a three-year performance period ending December 31, 2025 based on the Company's TSR performance relative to a custom TSR peer group consisting of other publicly traded healthcare REITs. Although these 2023 annual equity awards are intended as compensation to the named executive officers for 2023, they are reported in the Summary Compensation Table as compensation to the named executive officers in 2022 because the grant date occurred in 2022.

The relative TSR performance-based awards will vest based on our three-year TSR performance relative to the following publicly-traded REITs:

TSR Award Peer Companies
Community Healthcare Trust, Inc.
Diversified Healthcare Trust, Inc.
Global Medical REIT, Inc.
Healthcare Realty Trust Inc.
Healthpeak Properties, Inc.
LTC Properties, Inc.
Medical Properties Trust, Inc.
National Health Investors, Inc.
Omega Healthcare Investors, Inc.
Physicians Realty Trust
Sabra Health Care REIT, Inc.
Universal Health Realty Income Trust
Ventas, Inc.
Welltower, Inc.

The TSR award peer group companies is one less for the 2023 TSR awards than the 2022 TSR awards as one company used in the peer group for the 2022 TSR awards was sold in 2022. We selected our TSR award peer group companies based on their similarity to the Company, taking into account their respective businesses and sources of revenue. While there is significant overlap between the TSR award peer group companies and the Peer Group companies described above, the two peer groups are not identical. This is because the compensation committee believes that the two peer groups are accomplishing different objectives. Many of the TSR award peer group companies have a much larger market capitalization than the Company, which makes them inappropriate to use as peer companies for compensation comparison purposes. However, we believe company size plays a relatively small role in TSR, and that our TSR award peer group companies are valuable comparators to measure our TSR because of the similarity of business models and tenant pools.

As described above, the performance period for the 2022 TSR awards is calendar year 2022 through the end of the 2024 calendar year and the performance period for the 2023 TSR awards is calendar year 2023 through the end of the 2025 calendar year. If the Company's TSR for the three-year performance period compared to the TSRs of the peers for the same period is less than the 25th percentile (the threshold level), 0% of each named executive officers' TSR awards will vest. If our relative TSR performance is at the 50th percentile (the target level), 100% of each named executive officer's TSR awards will vest. If the Company achieves relative TSR performance at or above the 85th percentile (the maximum level), 200% of each named executive officer's TSR awards will vest. For performance between target and the threshold and the high levels, the number of TSR awards that vest will be determined by linear interpolation. Any dividends payable on the shares underlying the TSR awards are subject to the same performance vesting conditions as the underlying shares, and will only become payable if the performance vesting conditions for the underlying shares are achieved.

The performance vesting schedule for the TSR awards can be illustrated as follows:

Percentile vs. TSR Award Peers	Performance Level	TSR Awards Earned
>85		200%
85	High/Max	200%
50	Target	100%
25	Threshold	50%
<25	—	—%

Status of Performance-Based Vesting of Prior Long-Term Incentive Awards

In accordance with our long-term equity incentive award program in effect prior to 2021, beginning in 2018 50% of the number of restricted stock awards granted based on the prior year's performance were subject to additional performance-based vesting conditions based on NFFO growth over a specified performance period (which is either three or four years). The performance period for these awards began in the year the award was granted, with one tranche eligible to vest at the end of each of the calendar years commencing with the year of grant. Each tranche vests at the end of the applicable calendar year only if we achieve a minimum established NFFO per share growth for the year. If the applicable NFFO per share growth target is not achieved for any calendar year in the performance period, the tranche of shares eligible to vest for the missed year will be eligible to vest at the end of any subsequent calendar year in the performance period if we are able to achieve the specified cumulative NFFO per share growth during the performance period through the end of the applicable measurement year. If the NFFO per share growth target is achieved for any calendar year (or on a cumulative basis thereafter during the performance period of the award if the NFFO per share growth target was not achieved in a previous year), the applicable tranche of performance-based restricted stock awards vests and is paid to each named executive officer. At the time of this payment, we also pay each named executive officer a cash amount equal to the dividends that had accrued with respect to the vested performance shares, which dividends only became payable upon achievement of the performance vesting conditions for the underlying shares.

For 2022, we achieved NFFO per share of \$1.492. The following table summarizes the vesting of the previously awarded performance-based restricted stock awards (as determined by the compensation committee following the end of calendar year 2022) based on this NFFO per share achievement. Mr. Callister, who did not become employed by us until February 2021 and did not become an executive officer until July 2022, did not receive any of the equity awards disclosed in the table below.

Award Year	Minimum NFFO Per Share Growth Target for 2022	Number of Shares That Vested for 2022	Number of Shares That Previously Vested	Number of Shares Remaining Eligible to Vest

(1) These shares vested pursuant to Mr. Stapley’s “authorized retirement” clause in his change in control and severance agreement.

For more information on the restricted stock awards that were granted to our named executive officers in 2019-2021 based on the prior year’s performance, see our proxy statement filed in those years.

Severance Benefits

We believe that severance protections, particularly in the context of the uncertainty surrounding any potential change in control transaction, play a valuable role in attracting and retaining quality executive officers. Accordingly, we have entered into a change in control and severance agreement with each of our named executive officers (each, as amended, a “CIC and Severance Agreement”). We believe that the level of potential benefits helps us to retain our qualified executive team and is more consistent with the severance benefits provided by our Peer Group companies than our prior practice of providing no severance benefits to the named executive officers.

As described in more detail below under the heading “Potential Payments Upon Termination or Change in Control,” pursuant to the CIC and Severance Agreement, each of the named executive officers is entitled to severance benefits in the event of a termination of employment by us without “cause” or by the executive for “good reason” (as those terms are defined in each executive’s CIC and Severance Agreement), with the level of severance benefits enhanced if such a termination of employment occurs upon or following a change in control of the Company. None of the severance benefits payable under the CIC and Severance Agreement is a “single trigger” benefit triggered by the occurrence of a change in control, and benefits under the CIC and Severance Agreement are only payable on a “double trigger” basis as a result of a qualifying termination of employment. Also as described in more detail below under the heading “Potential Payments Upon Termination or Change in Control,” the CIC and Severance Agreement also entitles each named executive officer to specified benefits if the executive’s employment

is terminated as a result of an “authorized retirement” or due to the executive’s death or “disability” (as such terms are defined in each executive’s CIC and Severance Agreement). No named executive officer is entitled to receive a “gross-up” or similar payment for any excise taxes that may become payable in connection with a change in control pursuant to Sections 280G and 4999 of the Internal Revenue Code of 1986, as amended (the “Code”), and, depending on what results in the best after-tax benefit for the executive, benefits may be “cut back” instead in such circumstances.

In addition, under the terms of our stockholder-approved equity incentive plan, outstanding restricted stock awards will be subject to accelerated vesting in connection with a change in control of the Company (with outstanding performance-based awards vesting at the targeted performance level). Please see the “Potential Payments Upon Termination or Change in Control” section below for additional details.

401(k) Retirement Plan

We adopted a 401(k) retirement plan that was originally effective as of June 1, 2014. Full-time employees who have completed three months of service have the opportunity to participate in the 401(k) plan. Our 401(k) plan is intended to qualify under Section 401 of the Code. Employees are able to elect to defer a portion of their eligible compensation not to exceed the statutorily prescribed annual limit in the form of elective deferral contributions to our 401(k) plan. Our 401(k) plan also has a “catch-up contribution” feature for employees eligible to defer amounts over the statutory limit that applies to all other employees. We provide a “safe harbor” nonelective contribution of 3% of each participant’s compensation per plan year at the end of each plan year. Participants are always vested in their personal contributions to the 401(k) plan, and Company nonelective contributions are also vested once made.

Compensation Governance Practices

Anti-Hedging, Pledging and Derivatives Policy

The Company considers it improper and inappropriate for the Company’s directors, executive officers and other employees to engage in short-term or speculative transactions in the Company’s securities and other transactions in the Company’s securities that create the potential for heightened legal risk or the appearance of improper or inappropriate conduct even if they occur at a time when the individual is not aware of material nonpublic information. Accordingly, the Company prohibits these individuals from engaging in short-term trading of the Company’s securities or in any hedging transactions such as, but not limited to, zero-cost collars, equity swaps and forward sale contracts, absent preclearance. The Company also prohibits these individuals from holding Company securities in a margin account or otherwise pledging Company securities as collateral for a loan absent preclearance.

Compensation Clawback Policy

The Board has adopted a compensation recoupment policy whereby in the event of a restatement of our financial statements to correct a material error, the compensation committee is required to review our incentive compensation awards and may, if it determines appropriate after considering all relevant facts and circumstances, require the reimbursement of the incremental incentive compensation that an executive officer received as a result of the incorrect financial results. Annual bonus payments, long-term cash incentives, stock options, restricted stock, restricted stock units (including performance stock units) and other equity incentive awards that are granted, earned or vested based wholly or in part upon the attainment of a financial reporting measure are each subject to the terms of this clawback policy.

Executive Officer Stock Ownership Guidelines

The Board has adopted a stock ownership policy that is applicable to our executive officers. We believe that this policy aligns the interests of our executive officers with those of our stockholders by requiring executive officers to have direct ownership in shares of our Common Stock. The policy requires our President and Chief Executive Officer to own shares of our Common Stock having a value equal to at least six times his annual base salary, and each of our other executive officers to own shares of our Common Stock having a value equal to at least

five times his annual base salary. Shares subject to stock options are not considered owned by the executive for purposes of the policy. The executives covered by the policy are required to be in compliance with the ownership levels above within five years after adoption of the policy, and are required to retain 50% of the net after-tax shares received in respect of equity awards until they are in compliance. As of December 31, 2022, all of our executive officers had either met the minimum required level of ownership or were within the five-year period since first becoming an executive or being promoted and subject to a new threshold.

Policy with Respect to Section 162(m)

In making its compensation decisions, the compensation committee considers the impact of Section 162(m) of the Code. Under Section 162(m), the Company is generally precluded from deducting compensation in excess of \$1.0 million per year paid to our current or former named executive officers. However, because we are taxed as a REIT, Section 162(m) considerations are not as significant for us as for other publicly-traded companies that are not taxed as REITs, and the compensation committee maintains the flexibility to approve compensation for the named executive officers based upon an overall determination of what it believes to be in our best interests, even if the compensation paid may not be deductible.

COMPENSATION COMMITTEE REPORT

The compensation committee of the Board of Directors has reviewed and discussed with management the disclosures contained in the Compensation Discussion and Analysis section of this Proxy Statement. Based upon this review and discussion, the compensation committee recommended to the Board of Directors that the Compensation Discussion and Analysis section be included in this Proxy Statement.

COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

Spencer G. Plumb (Chair)

Diana M. Laing

Careina Williams*

* Following a re-composition of the committees of the Board of Directors in February 2023, Ms. Williams replaced Ms. Olson as a member of the Compensation Committee in February 2023.

The foregoing report of the compensation committee does not constitute soliciting material and shall not be deemed filed, incorporated by reference into or a part of any other filing by the Company (including any future filings) under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, except to the extent the Company specifically incorporates such report by reference therein.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Mr. Plumb and Ms. Laing were members of the compensation committee during all of 2022. During 2022, Allen Barbieri also served as a member of the compensation committee until his resignation from our Board of Directors in March 2022 and Ms. Olson was appointed as a member of the compensation committee in May 2022 following her election to the Board of Directors at our 2022 annual meeting of stockholders and served on the committee until she was replaced by Ms. Williams in February 2023. During the past fiscal year, none of the members of our compensation committee is or has been an officer or employee of our Company or had any relationships requiring disclosure by the Company under the rules of the SEC requiring disclosure of certain relationships and related party transactions. None of our executive officers currently serves, or in the past year has served, as a member of the board of directors or compensation committee (or other board committee performing equivalent functions) of any entity that has one or more of its executive officers serving on our Board of Directors or compensation committee.

The actual cash incentive awards earned for 2022 are reflected in the “Summary Compensation Table — 2020 — 2022” above under the caption “Non-Equity Incentive Plan Compensation.” For a description of the material terms of the cash incentive plan awards reported in the table above, see “Compensation Discussion and Analysis — Material Elements of Compensation — 2022 Annual Cash Incentive Awards.”
- (2) The amounts in this column represent the aggregate fair value of each award on its grant date, computed in accordance with ASC Topic 718. We valued the time-based restricted stock awards granted on December 15, 2022 by multiplying the closing price of our Common Stock on that date (\$19.69) by the number of shares of restricted stock awarded. We valued the performance-based restricted stock awards granted on December 15, 2022 by multiplying the number of performance shares awarded by the fair value of the award as determined using a Monte Carlo simulation as further described in Note 9 to the Consolidated Financial Statements included in our 2022 Annual Report. For a description of the material terms of these restricted stock awards, see “Compensation Discussion and Analysis — Material Elements of Compensation — 2022 Long-Term Equity Incentive Awards Granted.”

Option Exercises and Stock Vested in 2022

The following table sets forth certain information with respect to restricted stock and unit awards held by our named executive officers that vested during 2022.

Name	Stock Awards	
	Number of shares acquired on vesting (#)	Value realized on vesting (\$)(1)
David M. Sedgwick	52,891	1,059,472
Gregory K. Stapley	333,028	6,037,019
William M. Wagner	63,508	1,269,615
James B. Callister	—	—
Mark D. Lamb	52,703	1,055,484

- (1) The value realized on vesting is determined by multiplying the number of shares of restricted stock or units that vested by the per-share closing price of our Common Stock on the vesting date. The values reported do not represent the actual cash value realized by the named individual upon the vesting of shares to the extent such individual did not immediately sell the shares upon vesting.

Potential Payments Upon Termination or Change in Control

The following section describes the benefits that may become payable to the named executive officers in connection with a termination of their employment with us or a change in control of the Company. We do not have employment agreements with any of our named executive officers, so these benefits are generally provided under the CIC and Severance Agreement we have entered into with each of our named executive officers or under the terms governing outstanding equity-based awards.

Severance Benefits — Change in Control and Severance Agreement

The CIC and Severance Agreement provides that if an executive's employment is terminated by us without "cause" or by the executive for a "good reason" (as those terms are defined in the CIC and Severance Agreement), the executive will be entitled to receive the following benefits: (1) a lump sum payment equal to one times (or two times for Mr. Sedgwick) the executive's annual base salary, (2) a lump sum payment equal to a pro-rata portion of the executive's target annual cash incentive opportunity, and (3) reimbursement of the premiums charged to continue the executive's and his dependents' benefits under COBRA for up to 18 months (and subject to earlier termination upon the executive beginning new full-time employment) (the "COBRA Benefits").

If an executive's termination without cause or for good reason occurs upon or following a change in control of the Company, then in lieu of the benefits described above, the executive will be entitled to receive the following benefits: (1) a lump sum payment equal to two times (or three times for Mr. Sedgwick) the sum of the executive's annual base salary plus average annual cash incentive opportunity actually earned for the three years preceding the year in which the executive's termination of employment occurs, (2) full vesting of all outstanding equity awards (with any performance-based awards granted prior to February 1, 2021 vesting at the target performance level and performance-based awards granted thereafter vesting in accordance with the terms of the award agreement) and (3) the COBRA Benefits. No executive is entitled to receive a "gross-up" or similar payment for any excise taxes that may become payable in connection with a change in control of the Company, and, depending on what results in the best after-tax benefit for the executive, benefits may be "cut back" instead in such circumstances.

If an executive's employment is terminated as a result of an "authorized retirement" (as such term is defined in the CIC and Severance Agreement), the executive will be entitled to receive the COBRA Benefits, full vesting of all outstanding time-based equity awards and (1) for performance-based equity awards granted prior to February 1, 2021, full vesting at the target performance level, and (2) for performance-based equity awards granted after February 1, 2021, vesting of the performance-based awards pursuant to the terms of the award agreement.

If an executive's employment terminates due to the executive's death or disability, the executive will be entitled to receive (1) a lump sum payment equal to the executive's target annual cash incentive opportunity, (2) full vesting of all outstanding equity awards (with any performance-based awards vesting at the target performance level) and (3) the COBRA Benefits (but only for up to 12 months).

In order to receive any of the foregoing benefits payable upon a termination without cause, for good reason or an authorized retirement, the executive must execute and not revoke a full release of claims in favor of us.

The CIC and Severance Agreement includes an indefinite restriction on an executive's disclosure of our confidential information and a 2-year post termination restriction on an executive's solicitation of our employees and independent contractors.

Accelerated Vesting — Equity Awards. Pursuant to the terms of our stockholder-approved equity incentive plan, outstanding restricted stock and unit awards granted to the named executive officers under the equity incentive plan are subject to accelerated vesting in connection with a change in control of the Company (with outstanding performance-based awards vesting at the targeted performance level).

Benefits Payable Upon Termination or Change in Control Occurring on December 31, 2022

The following table provides information concerning the potential termination or change in control payments that would have been made to each named executive officer under the circumstances described above. As prescribed by the SEC’s disclosure rules, in calculating the amount of any potential payments to the named executive officers, we have assumed that the applicable triggering event (i.e., termination of employment and/or change in control) occurred on December 31, 2022. In the following table, we use the term “involuntary termination” to refer to termination by us without cause or by the executive for good reason.

- (1) The equity acceleration value for each named executive officer is based upon the closing price of our Common Stock of \$18.58 on December 30, 2022, which was the last trading day in 2022. For an authorized retirement, we have assumed that all outstanding performance-based restricted stock and units will vest at target. The equity acceleration value for an authorized retirement would be lower if all of the outstanding performance-based equity awards do not meet target levels or would be higher if target levels are surpassed.
- (2) We have assumed that no named executive officer’s severance benefits would be “cut back” under his CIC and Severance Agreement in order to obtain the greatest after-tax benefit after giving effect to the excise tax imposed under Section 4999 of the Code. The actual severance benefits payable to the named executive officers may be less than the reported amounts as a result of the application of this “cut-back.”
- (3) None of the named executive officers would have been entitled to an additional pro-rated bonus payment from us for a termination of employment occurring at the end of the 2022 calendar year, so the pro-rated bonus-based severance provisions contained in each executive’s CIC and Severance Agreement would not result in any additional severance amounts for a termination occurring at year end.

In connection with Mr. Stapley's authorized retirement, Mr. Stapley received full vesting of all outstanding equity awards (with any performance-based awards granted prior to February 1, 2021 vesting at the target performance level and performance-based awards granted thereafter vesting in accordance with the terms of the award agreement) and the COBRA Benefits (which were paid in a lump sum and had a value of \$73,944).

Pay Ratio Disclosure

Pursuant to the Exchange Act, we are required to disclose in this Proxy Statement the ratio of the annual total compensation of our Chief Executive Officer to the median of the annual total compensation of all of our employees (excluding our Chief Executive Officer). Based on SEC rules for this disclosure, we have determined that our Chief Executive Officer's total compensation for 2022 was \$3,938,909, and the median of the total 2022 compensation of all of our employees (excluding our Chief Executive Officer) was \$357,364. Accordingly, we estimate the ratio of our Chief Executive Officer's total compensation for 2022 to the median of the total 2022 compensation of all of our employees (excluding our Chief Executive Officer) to be 11.02 to 1.

We identified the median employee by taking into account the total gross wages as reported on Form W-2 paid in 2022 to all individuals, excluding our Chief Executive Officer, who were employed by us on December 31, 2022. We included all employees, whether employed on a full-time, part-time, or seasonal basis. We did not make any assumptions, adjustments or estimates with respect to their total cash compensation for 2022, although we did annualize the compensation for any permanent employees who were not employed by us for all of 2022. We believe gross wages for all employees is an appropriate measure because generally all employees are eligible to receive annual equity awards.

Once the median employee was identified as described above, that employee's annual total compensation for 2022 was determined using the same rules that apply to reporting the compensation of our named executive officers (including our Chief Executive Officer) in the "Total" column of the "Summary Compensation Table - 2020 - 2022" above. The total compensation amounts included in the first paragraph of this pay ratio disclosure were determined based on that methodology.

We believe that the pay ratio disclosure presented above is a reasonable estimate. Because the SEC rules for identifying the median employee and calculating the pay ratio allow companies to use different methodologies, exemptions, estimates and assumptions, the pay ratio disclosure may not be comparable to the pay ratio reported by other REITs or other public companies.

Pay Versus Performance Disclosure

Pursuant to the Exchange Act, we are required to disclose in this Proxy Statement certain information comparing the total compensation of our Chief Executive Officer and the average total compensation of our other named executive officers, in each case both as reported in the Summary Compensation Table presented in this Proxy Statement and as "actually paid" to such named executive officers as determined pursuant to applicable SEC rules, to the Company's performance as presented in the table below. In this discussion, our Chief Executive Officer in each applicable year is also referred to as our principal executive officer or "PEO", and our other named executive officers in each applicable year are referred to as our "Non-PEO NEOs." The calculations and analysis below do not necessarily reflect the Company's approach to aligning compensation with performance. For information concerning

the Company's compensation philosophy and how our executive compensation program is designed to align compensation with performance, please see "Compensation Discussion and Analysis" above.

- (1) The dollar amounts reported in column (b) are the amounts of total compensation reported for Mr. Sedgwick for 2022 and for Mr. Stapley for 2021 and 2020 in the "Total" column of the Summary Compensation Table. Refer to "Executive Compensation Tables — Summary Compensation Table — 2020-2022."
- (2) The dollar amounts reported in columns (c) and (e) represent the amount of "compensation actually paid" to our PEO and the average of our non-PEO NEOs in each applicable year, as computed in accordance with Item 402(v) of Regulation S-K. The dollar amounts do not reflect the actual amount of compensation earned or paid during the applicable year. In accordance with the requirements of Item 402(v) of Regulation S-K, the following adjustments were made to total compensation for each year to determine the compensation actually paid:

- (a) In making each of the adjustments, the “value” of a stock award is the fair value of the award on the applicable date determined in accordance with FASB ASC Topic 718 using the valuation assumptions we then used to calculate the fair value of our equity awards. For more information on the valuation of our equity awards, please see the notes to our financial statements that appear in our Annual Report on Form 10-K each fiscal year and the footnotes to the Summary Compensation Table that appears in our annual Proxy Statement.
- (3) The dollar amounts reported in column (d) represent the average of the amounts reported for the Company’s Non-PEO NEOs as a group in the “Total” column of the Summary Compensation Table in each applicable year. The names of each of the non-PEO NEOs included for purposes of calculating the average amounts in each applicable year are as follows: (i) for 2022, Gregory K. Stapley, William M. Wagner, James B. Callister and Mark D. Lamb; and (ii) for 2021 and 2020, David M. Sedgwick, William M. Wagner and Mark D. Lamb.
- (4) Total stockholder return represents cumulative total stockholder return on a fixed investment of \$100 in our common stock for the period beginning on the last trading day of 2019 through the end of the applicable fiscal year, and is calculated assuming the reinvestment of dividends before consideration of income taxes. Peer total stockholder return represents cumulative total stockholder return on a fixed investment of \$100 in the MSCI U.S. Total Return Index (RMS) for the period beginning on the last trading day of 2019 through

the end of the applicable fiscal year, and is calculated assuming the reinvestment of dividends before consideration of income taxes.

- (5) Represents our net income (loss) reported in our audited financial statements for the applicable year.
- (6) Represents our normalized funds from operations, or NFFO, per share. NFFO is an important supplemental measure not computed in accordance with GAAP. We define NFFO as FFO defined in accordance with Nareit's definition (calculated as net income computed in accordance with GAAP, excluding gains or losses from real estate dispositions, real estate depreciation and amortization and impairment charges, and adjustments for unconsolidated partnerships and joint ventures), and adjusted for certain revenue and expense items that we do not believe are indicative of our ongoing operating results, such as provision for loan losses, provision for doubtful accounts and lease restructuring, effect of the senior unsecured notes payable redemption, recovery of previously reversed rent, lease termination revenue, accelerated amortization of stock-based compensation, non-routine transaction costs, loss on extinguishment of debt, unrealized loss on other real estate related investments and property operating expenses.

Description of Relationship Between Information Presented in Pay Versus Performance Table

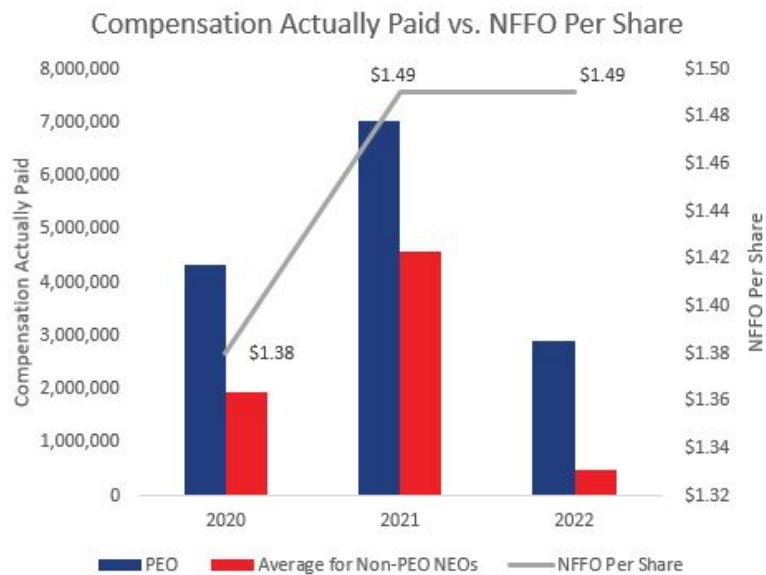

The following chart illustrates the Compensation Actually Paid for our PEO and the average Compensation Actually Paid for our Non-PEO NEOs as presented in the table above for each of the last three fiscal years against our total stockholder return and the total stockholder return for the RMS (each calculated as described above in footnote (4) of the table above) over that period of time.

The following chart illustrates the Compensation Actually Paid for our PEO and the average Compensation Actually Paid for our Non-PEO NEOs as reported in the table above for each of the last three fiscal years against our net income (loss) in each of those years.

The following chart illustrates the Compensation Actually Paid for our PEO and the average Compensation Actually Paid for our Non-PEO NEOs as reported in the table above for each of the last three fiscal years against our NFFO in each of those years.

Financial Performance Measures

Following is an unranked list of financial performance measures we consider most important in linking the compensation actually paid to our named executive officers for 2022 with our performance.

- NFFO per share (used for our annual cash incentive plan)
- Average Quarterly Net Debt to Normalized Run Rate EBITDA (used for our annual cash incentive plan)
- Capital Deployment (used for our annual cash incentive plan)
- Relative TSR (used for our long-term incentive plan)

In addition to the financial performance measures listed above, we view our stock price, upon which the value of all of our long-term incentive awards is dependent, as a key performance-based component of our executive compensation program in order to further align the interests of our senior management team with the interests of our stockholders.

DIRECTOR COMPENSATION

Director Compensation Program

We provide cash and stock compensation to our non-employee directors for their services as directors or members of committees of the Board of Directors. Effective in May 2022, the Board of Directors approved an increase in the annual cash retainer and the annual stock compensation payable to Board members, as described below. We also reimburse our non-employee directors for their reasonable expenses incurred in attending meetings of our Board of Directors and committees of the Board of Directors.

Each member of our Board of Directors who is not our employee is entitled to receive an annual cash retainer for their service on our Board of Directors and its committees. The cash retainers payable for 2022 were as follows:

- \$70,000 per year for service as a Board member, which was increased to \$75,000 per year commencing in May 2022;
- \$20,000 per year for service as chairperson of the audit committee;
- \$15,000 per year for service as chairperson of the compensation committee;
- \$15,000 per year for service as chairperson of the nominating and corporate governance committee; and
- \$15,000 per year for service as chairperson of the SCR committee commencing May 2022.

Further, effective June 28, 2022 upon the appointment of our new non-executive Chair of the Board, the Chair of the Board receives an additional annual cash retainer of \$80,000 per year for service as non-executive Chair of the Board. Prior to the appointment of our non-executive Chair of the Board, our lead independent director received an additional annual cash retainer of \$30,000 per year for service as lead independent director.

Each member of our Board may elect to have his or her fees that would otherwise be paid in cash converted into an award of restricted stock (subject to a one-year vesting requirement).

In addition, pursuant to the Independent Director Compensation Policy, our non-employee directors are entitled to receive annual, non-discretionary grants of restricted stock awards, with a grant date value that increased to \$110,000 commencing with our 2022 annual meeting of stockholders. These awards are generally granted on the date of our annual meeting of stockholders and vest in full on the earlier of the first anniversary of the grant date or the date of the following year's annual meeting of stockholders, subject to the non-employee director's continued service as a director through the vesting date. The number of shares of restricted stock subject to the 2022 award was determined by dividing \$110,000 by the per-share closing price (in regular trading) of our Common Stock on the date of grant, rounded up to the nearest whole share.

Director Stock Ownership Guidelines

The Board has adopted a stock ownership policy that is applicable to our directors. We believe that this policy aligns the interests of our directors with those of our stockholders by requiring directors to have direct ownership in shares of our Common Stock. The policy requires each non-employee director to own shares of our Common Stock having a value equal to at least six times his or her annual cash retainer (excluding additional retainers for chairpersons, committee members and meeting fees). Our non-employee directors are required to be in compliance with this ownership level by the later of December 31, 2023 or five years from the date he or she is appointed to the Board, and are required to retain 50% of the net after-tax shares received in respect of equity awards until they are in compliance. As of December 31, 2022, all of our non-employee directors met the ownership requirement or were within the five-year period since first becoming a director to acquire the applicable level of ownership.

2022 Director Compensation Table

The following table sets forth the compensation paid to our non-employee directors for the year ended December 31, 2022.

Name (1)	Fees Earned or Paid in Cash (\$)	Stock Awards (\$)(2)	Total (\$)
Allen Barbieri(3)	—	—	—
Jon Kline(4)	—	—	—
Diana M. Laing(5)	175,000	110,000	285,000
Anne Olson(6)	90,000	110,000	200,000
Spencer G. Plumb	90,000	110,000	200,000
Careina D. Williams(7)	90,000	110,000	200,000

- (1) The compensation paid to Mr. Sedgwick, the Company's President and Chief Executive Officer, and Mr. Stapley, the Company's former Executive Chairman of the Board, is not included in this table because each of Mr. Sedgwick and Mr. Stapley was an employee of the Company during his respective service as a director and received no additional compensation for service as director. Mr. Sedgwick's and Mr. Stapley's compensation is disclosed in the "Summary Compensation Table — 2020 — 2022" above.
- (2) The amounts in this column represent the aggregate fair value of each annual equity award on its grant date, computed in accordance with ASC Topic 718. We valued the stock awards as of the grant date by multiplying the closing price of our Common Stock on that date by the number of shares of stock awarded. As of December 31, 2022, each of our non-employee directors held the following number of unvested restricted stock awards:

Name	Number of Unvested Restricted Stock Awards
Diana M. Laing	6,498
Anne Olson	6,498
Spencer G. Plumb	6,498
Careina D. Williams	6,498

- (3) Mr. Barbieri's term of service on our Board of Directors ended in March 2022.
- (4) Mr. Kline's term of service on our Board of Directors ended in May 2022.
- (5) Ms. Laing served as our lead independent director until June 2022 and as our non-executive Chair of the Board commencing June 2022.
- (6) Ms. Olson was elected to our Board by our stockholders at our 2022 annual meeting of stockholders.
- (7) Ms. Williams was appointed to our Board in March 2022.

EQUITY COMPENSATION PLAN INFORMATION

We currently maintain one equity compensation plan: The CareTrust REIT, Inc. and CTR Partnership, L.P. Incentive Award Plan (the “Plan”). The Plan provides for the granting of stock-based compensation, including stock options, restricted stock, performance awards, restricted stock units and other incentive awards to officers, employees and directors in connection with their employment with or services provided to the Company.

The following table sets forth the number of shares of Common Stock subject to outstanding awards under the Plan and the number of shares remaining available for future award grants under the Plan as of December 31, 2022. Except for certain performance-based awards granted in 2021 and 2022, the only outstanding equity awards under the Plan as of December 31, 2022 are restricted stock awards, which are not considered outstanding equity awards under the Plan for purposes of the table below.

Plan Category	Number of shares of Common Stock to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of shares of Common Stock remaining available for future issuance under equity compensation plans (excluding shares reflected in the first column)
Equity compensation plans approved by stockholders	231,180 (1)	N/A	3,491,798 (2)
Equity compensation plans not approved by stockholders	N/A	N/A	N/A
Total	231,180	N/A	3,491,798

(1) Represents performance-based TSR awards at the target performance level.

(2) Of the aggregate number of shares that remained available for future issuance, all were available under the Plan and may be used for any type of award authorized under the Plan.

PROPOSAL 2: ADVISORY APPROVAL OF NAMED EXECUTIVE OFFICER COMPENSATION

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act) and the related compensation disclosure rules of the SEC, we are asking our stockholders to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement.

As described in detail under the heading “Compensation Discussion and Analysis,” we seek to closely align the interests of our named executive officers with the interests of our stockholders and to foster a pay-for-performance culture. Our compensation programs are designed to reward our named executive officers for the achievement of the Company’s corporate strategies, business objectives and the creation of long-term value for stockholders, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking.

The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the overall compensation of our named executive officers, as described in this Proxy Statement. The vote is advisory, which means that the vote is not binding on the Company, our Board of Directors or the compensation committee of the Board of Directors. Although the vote is non-binding, the compensation committee will consider the voting results when it evaluates whether any changes should be made to the Company’s compensation program.

Accordingly, we ask our stockholders to approve the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation paid to the Company’s named executive officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement.”

We intend to provide our stockholders with an opportunity to approve the compensation of the Company’s named executive officers each year at the annual meeting of stockholders. It is expected that the next vote to approve the compensation of the Company’s named executive officers will be held at our 2024 annual meeting of stockholders.

Recommendation of the Board of Directors

Our Board of Directors recommends that the stockholders vote **FOR** the approval, on an advisory basis, of the compensation of the Company’s named executive officers, as disclosed in this Proxy Statement. Unless otherwise instructed, the proxy holders will vote the proxies received by them **FOR** our named executive officer compensation.

PROPOSAL 3: ADVISORY APPROVAL OF THE FREQUENCY OF EXECUTIVE COMPENSATION ADVISORY VOTES

In accordance with the requirements of Section 14A of the Exchange Act and the related rules of the SEC, we are asking our stockholders to vote, on a non-binding, advisory basis, for their preference as to how frequently we should seek future advisory votes on the compensation of our named executive officers. By voting with respect to this Proposal 3, stockholders may indicate whether they would prefer that we conduct future advisory votes on executive compensation once every one, two, or three years. Stockholders also may, if they wish, abstain from casting a vote on this proposal.

After careful consideration, our Board of Directors currently believes that advisory votes on executive compensation should be conducted every year so that stockholders may annually express their views on our executive compensation program.

We recognize that stockholders may have different views as to the best approach for the Company, and therefore we look forward to hearing from our stockholders as to their preference on the frequency of future advisory votes on executive compensation.

This vote is advisory and not binding on us or our Board of Directors. However, the Board of Directors and the compensation committee will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation. The Board of Directors may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the frequency receiving the most votes cast by our stockholders.

Stockholders have the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the recommendation of the Board of Directors.

Recommendation of the Board of Directors

Our Board of Directors recommends that the stockholders vote for the option of every **ONE YEAR** as the preferred frequency for advisory votes on executive compensation. Unless otherwise instructed, the proxy holders will vote the proxies received by them for **ONE YEAR** for the frequency of future advisory votes on executive compensation.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Deloitte has served as our independent registered public accounting firm since February 2019.

Principal Accountant Fees and Services

The following table presents fees for professional services rendered by Deloitte for the year ended December 31, 2022 and December 31, 2021:

	2022	2021
Audit Fees(1)	\$ 1,038,179	\$ 942,535
Audit Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—
Total	<u>\$ 1,038,179</u>	<u>\$ 942,535</u>

- (1) Audit Fees consist principally of fees for the audit of our financial statements and internal control over financial reporting and review of our financial statements included in our Quarterly Reports on Form 10-Q, fees incurred in connection with proposed securities offerings, including those that require registration statements filed with the SEC, and accounting consultations.

Pre-Approval Policies

The audit committee has adopted a policy that requires the audit committee to pre-approve all audit and permitted non-audit services provided by our independent registered public accounting firm. The audit committee has delegated to the chairperson of the audit committee the authority to pre-approve any audit and permitted non-audit services necessary between regularly scheduled meetings of the audit committee and the chairperson must then report any such approval decisions to the full audit committee at its next scheduled meeting. Our audit committee pre-approved all audit, audit-related, tax and other services performed by Deloitte in 2022 and 2021.

**PROPOSAL 4: RATIFICATION OF APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

We are asking the stockholders to ratify our audit committee’s appointment of Deloitte as our independent registered public accounting firm for the year ending December 31, 2023. See above under “Independent Registered Public Accounting Firm” for additional information. We are not required to submit the appointment of Deloitte as our independent registered public accounting firm for stockholder approval. However, we are submitting the appointment for ratification as a matter of good corporate practice. If stockholders fail to ratify the appointment, the audit committee will consider whether or not to retain Deloitte. Even if the appointment is ratified, the audit committee may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

A representative of Deloitte will be present at the Annual Meeting, will have the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

Recommendation of the Board of Directors

Our Board of Directors recommends that the stockholders vote **FOR** the ratification of the appointment of Deloitte as the Company’s independent registered public accounting firm for the year ending December 31, 2023. Unless otherwise instructed, the proxy holders will vote the proxies received by them **FOR** ratification of the appointment of Deloitte as the Company’s independent registered public accounting firm for the year ending December 31, 2023.

AUDIT COMMITTEE REPORT

Our audit committee has reviewed and discussed with our management our audited consolidated financial statements and the establishment and maintenance of internal control over financial reporting and has discussed with Deloitte, our independent registered public accounting firm, the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board and the SEC.

Our audit committee has received and reviewed the written disclosures and the letter from Deloitte required by applicable requirements of the Public Company Accounting Oversight Board regarding Deloitte's communications with the audit committee concerning independence. Our audit committee has also considered whether the provision of non-audit services provided to us by Deloitte is compatible with maintaining Deloitte's independence and has discussed with Deloitte its independence.

Based on the review and discussions referred to above, our audit committee recommended to our Board of Directors that the audited financial statements for the Company's year ended December 31, 2022 be included in our Annual Report for the year ended December 31, 2022, which was filed with the SEC on February 9, 2023. The audit committee also appointed Deloitte to serve as our independent registered public accounting firm for the year ending December 31, 2023 and is seeking ratification of such appointment by the stockholders.

AUDIT COMMITTEE OF THE BOARD OF DIRECTORS*

Careina D. Williams (Chair)
Anne Olson
Spencer G. Plumb

* Following a re-composition of the committees of the Board of Directors in February 2023, Ms. Olson replaced Ms. Laing as a member of the Audit Committee and Ms. Williams became Chair of the Audit Committee in February 2023.

The foregoing report of the audit committee does not constitute soliciting material and shall not be deemed filed, incorporated by reference into or a part of any other filing by us (including any future filings) under the Securities Act or the Exchange Act, except to the extent we specifically incorporate such report by reference therein.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information known to us with respect to beneficial ownership of our Common Stock as of March 1, 2023 for (i) each director and director nominee, (ii) each person known by us to beneficially own greater than 5% of our Common Stock, (iii) our named executive officers, and (iv) all executive officers and directors as a group.

Beneficial ownership is determined in accordance with the rules and regulations of the SEC. Except as otherwise noted below, the percentage of shares beneficially owned is based on 99,511,942 shares of Common Stock outstanding as of March 1, 2023. Except as affected by applicable community property laws, all persons listed have sole voting and investment power for all shares shown as beneficially owned by them.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Since January 1, 2022, there has not been, nor has there been proposed, any transaction in which we were or will be a party or in which we were or will be a participant involving an amount that exceeded or will exceed \$120,000 and in which any director, executive officer, beneficial owner of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest, and for which disclosure is required pursuant to applicable rules of the SEC.

Procedures for Approval of Related Person Transactions

Our Board of Directors has adopted a written policy regarding the approval of any “related person transaction,” which is any transaction or series of transactions in which we or any of our subsidiaries is or are to be a participant, the amount involved exceeds \$120,000, and a “related person” (as defined under SEC rules) has a direct or indirect material interest. Under the policy, a related person is required to disclose to our Chief Financial Officer any proposed related person transaction and certain facts and circumstances about the proposed transaction. Our Chief Financial Officer would then assess that information and, if determined to be a related party transaction, submit the transaction to our audit committee for consideration. Based on our audit committee’s consideration of all of the relevant facts and circumstances, our audit committee will decide whether or not to approve such transaction and will generally approve only those transactions that are in, or are not inconsistent with, the best interests of CareTrust REIT. If we become aware of an existing related person transaction that has not been pre-approved under this policy, the transaction will be referred to our audit committee, which will evaluate all options available, including ratification, revision or termination of such transaction. Our policy requires any director who may be interested in a related person transaction to recuse himself or herself from any consideration of such related person transaction.

STOCKHOLDER PROPOSALS AND DIRECTOR NOMINATIONS FOR 2024 ANNUAL MEETING OF STOCKHOLDERS

Stockholders may present proposals for action at a future meeting only if they comply with the requirements of the proxy rules established by the SEC and our Bylaws, as further described below:

Requirements for Proposals to be Considered for Inclusion in Proxy Materials. Stockholder proposals that are intended to be presented at our 2024 annual meeting of stockholders and included in our proxy materials for such meeting must comply with the procedural and other requirements set forth in Rule 14a-8 of the Exchange Act. To be eligible for inclusion in our proxy materials, stockholder proposals must be received by our Secretary at our principal executive offices no later than November 15, 2023, which is 120 calendar days prior to the first anniversary of the date this Proxy Statement was released to stockholders in connection with the Annual Meeting. If we change the date of the 2024 annual meeting of stockholders by more than 30 days from the date of this year’s Annual Meeting, your written proposal must be received by our Secretary at our principal executive offices a reasonable time before we begin to print and mail our proxy materials for our 2024 annual meeting of stockholders.

Requirements for Proposals Not Intended for Inclusion in Proxy Materials and for Nomination of Director Candidates. A stockholder who wishes to nominate one or more persons for election to our Board of Directors at the 2024 annual meeting of stockholders or present a proposal at the 2024 annual meeting of stockholders, but whose stockholder proposal will not be included in the proxy materials we distribute for such meeting, must deliver written notice of the nomination or proposal to our Secretary at our principal executive offices not earlier than October 16, 2023 (the 150th day prior to the first anniversary of the date of this Proxy Statement for the Annual Meeting), nor later than 5:00 p.m. Eastern Time on November 15, 2023 (the 120th day prior to the first anniversary of the date of this Proxy Statement for the Annual Meeting); *provided, however*, that in the event that the date of the 2024 annual meeting of stockholders is advanced or delayed by more than 30 days from the first anniversary of the date of this year's Annual Meeting, in order for notice by the stockholder to be timely, such notice must be so delivered no earlier than the 150th day prior to the date of the 2024 annual meeting of stockholders and not later than 5:00 p.m., Eastern Time, on the later of the 120th day prior to the date of the 2024 annual meeting of stockholders, as originally convened, or the 10th day following the day on which public announcement of the date of the 2024 annual meeting of stockholders is first made. The public announcement of a postponement or adjournment of the 2024 annual meeting of stockholders shall not commence a new time period for the giving of a stockholder's notice as described above. The stockholder's written notice must include certain information concerning the stockholder and each nominee as specified in Article II, Section 11 of our Bylaws.

In addition, a stockholder who intends to solicit proxies in support of director nominees other than the Company's nominees at the 2024 annual meeting of stockholders must deliver written notice to the Company setting forth the information required by Rule 14a-19 under the Exchange Act no later than February 27, 2024. If we change the date of the 2024 annual meeting of stockholders by more than 30 days from the date of this year's Annual Meeting, your written notice must be received by the later of 60 days prior to the date of the 2024 annual meeting or the 10th calendar day following the day on which public announcement of the date of the 2024 annual meeting of stockholders is first made. The notice requirement under Rule 14a-19 is in addition to the applicable notice requirements under our Bylaws as described above.

Notice of stockholder proposals and director nominations must be in writing and should be addressed to our corporate Secretary, at our principal executive offices at 905 Calle Amanecer, Suite 300, San Clemente, California 92673. It is recommended that stockholders submitting notice of proposals or nominations direct them to our corporate Secretary and utilize certified mail, return receipt requested in order to provide proof of timely receipt. The Chair of the Annual Meeting reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal or nomination that does not comply with these and other applicable requirements, including conditions set forth in our Bylaws and applicable conditions established by the SEC.

OTHER MATTERS

As of the date of this Proxy Statement, we do not know of any business, other than described in this Proxy Statement that should be considered at the Annual Meeting. If any other matters should properly come before the Annual Meeting or any postponement or adjournment thereof, it is the intention of the persons named in the accompanying form of proxy to vote the proxies held by them in accordance with their best judgment.

DELIVERY OF DOCUMENTS TO STOCKHOLDERS SHARING AN ADDRESS

As permitted by applicable SEC rules, only one copy of our proxy materials is being delivered to stockholders of record residing at the same address and who did not receive a Notice of Internet Availability or otherwise receive their proxy materials electronically, unless such stockholders have notified us of their desire to receive multiple copies of our proxy materials. This is known as householding. We will promptly deliver, upon oral or written request, a separate copy of the proxy materials to any stockholder residing at an address to which only one copy was mailed. Stockholders who currently receive multiple copies of proxy materials at their address and would like to request householding of their communications should contact us. Requests for additional copies or requests for householding for this year or future years should be directed in writing to our principal executive offices at 905 Calle Amanecer, Suite 300, San Clemente, California 92673, Attn: Secretary or by telephone at (949) 542-3130.

AVAILABLE INFORMATION

We are subject to the informational requirements of the Exchange Act, and, in accordance therewith, file annual, quarterly and current reports, proxy statements and other information with the SEC. The SEC maintains an Internet site that contains such reports, and other information about issuers, like us, which file electronically with the SEC. The address of that site is www.sec.gov. We also make available our reports on Form 10-K, 10-Q, and 8-K (as well as all amendments to these reports), and other information, free of charge, at the Investor Relations section of our website at www.caretrustreit.com. The information contained on our website, other than this proxy statement, is not considered proxy solicitation material and is not incorporated by reference herein.

A copy of our Annual Report has been posted, and is available without charge, on our website at www.caretrustreit.com. For stockholders receiving a Notice of Internet Availability, such Notice will contain instructions on how to request a printed copy of our Annual Report. For stockholders receiving a printed copy of this Proxy Statement, a copy of our Annual Report has also been provided to you. **In addition, a copy of our Annual Report (including the financial statements and schedules thereto), which we filed with the SEC on February 9, 2023, will be provided without charge to any person to whom this Proxy Statement is mailed upon the written request of any such person to James B. Callister, Secretary, CareTrust REIT, Inc., 905 Calle Amanecer, Suite 300, San Clemente, California 92673.**

APPENDIX A — RECONCILIATION OF NON-GAAP FINANCIAL MEASURES

Funds from Operations and Normalized Funds from Operations

Funds from operations, or “FFO,” as defined by Nareit, and funds available for distribution, or “FAD,” are important non-GAAP supplemental measures of operating performance for a REIT. Because the historical cost accounting convention used for real estate assets requires straight-line depreciation except on land, such accounting presentation implies that the value of real estate assets diminishes predictably over time. Since real estate values have historically risen or fallen with market and other conditions, presentations of operating results for a REIT that uses historical cost accounting for depreciation could be less informative. Thus, Nareit created FFO as a supplemental measure of operating performance for REITs that excludes historical cost depreciation and amortization, among other items, from net income, as defined by GAAP.

FFO is defined by Nareit as net income computed in accordance with GAAP, excluding gains or losses from dispositions of real estate investments, real estate depreciation and amortization and real estate impairment charges, and adjustments for unconsolidated partnerships and joint ventures. The Company computes FFO in accordance with Nareit’s definition.

FAD is defined as FFO excluding noncash income and expenses, such as amortization of stock-based compensation, amortization of deferred financing fees and the effects of straight-line rent. The Company considers FAD to be a useful supplemental measure to evaluate the Company’s operating results excluding these income and expense items to help investors, analysts and other interested parties compare the operating performance of the Company between periods or as compared to other companies on a more consistent basis.

In addition, the Company reports normalized FFO, or “NFFO,” and normalized FAD, or “NFAD,” which adjust FFO and FAD for certain revenue and expense items that the Company does not believe are indicative of its ongoing operating results, such as provision for loan losses, provision for doubtful accounts and lease restructuring, recovery of previously reversed rent, lease termination revenue and property operating expenses. By excluding these items, investors, analysts and our management can compare NFFO and NFAD between periods more consistently.

While FFO, NFFO, FAD and NFAD are relevant and widely-used measures of operating performance among REITs, they do not represent cash flows from operations or net income as defined by GAAP and should not be considered an alternative to those measures in evaluating the Company’s liquidity or operating performance. FFO, NFFO, FAD and NFAD do not purport to be indicative of cash available to fund future cash requirements.

Further, the Company’s computation of FFO, NFFO, FAD and NFAD may not be comparable to FFO, NFFO, FAD and NFAD reported by other REITs that do not define FFO in accordance with the current Nareit definition or that interpret the current Nareit definition or define FAD differently than the Company does.

The Company believes that net income, as defined by GAAP, is the most appropriate earnings measure. The Company also believes that the use of FFO, NFFO, FAD and NFAD, combined with the required GAAP presentations, improves the understanding of operating results of REITs among investors and makes comparisons of operating results among such companies more meaningful. The Company considers FFO, NFFO, FAD and NFAD to be useful measures for reviewing comparative operating and financial performance and setting incentive and executive compensation levels because, by excluding gains or losses from real estate dispositions, impairment charges and real estate depreciation and amortization, and, for FAD and NFAD, by excluding noncash income and expenses such as amortization of stock-based compensation, amortization of deferred financing fees, and the effects of straight-line rent, FFO, NFFO, FAD and NFAD can help investors compare the Company’s operating performance between periods and to other REITs.

The following table presents a reconciliation of net income to NFFO, NFAD and NFFO and NFAD per share for the years ended December 31, 2022 and December 31, 2021 (in thousands, except per share amounts):

EBITDA and Normalized EBITDA

EBITDA represents net income before interest expense (including amortization of deferred financing costs), amortization of stock-based compensation, and depreciation and amortization. Normalized run rate EBITDA represents EBITDA as further adjusted to eliminate the impact of certain items that the Company does not consider indicative of core operating performance, such as real estate impairment charges, provisions for loan losses, provision for doubtful accounts and lease restructuring, recovery of previously reversed rent, lease termination revenue, property operating expenses and gains or losses from dispositions of real estate and include the effect of investments completed during the three months ended for the respective period as though such investments were completed as of the beginning of the period. EBITDA and Normalized run rate EBITDA do not represent cash flows from operations or net income as defined by GAAP and should not be considered an alternative to those measures in evaluating the Company's liquidity or operating performance. EBITDA and Normalized run rate EBITDA do not purport to be indicative of cash available to fund future cash requirements, including the Company's ability to fund capital expenditures or make payments on its indebtedness. Further, the Company's computation of EBITDA and Normalized run rate EBITDA may not be comparable to EBITDA and Normalized run rate EBITDA reported by other REITs.

The following table presents a quarterly reconciliation of net income to EBITDA and Normalized run rate EBITDA for the year ended December 31, 2022 (in thousands):
